No Police 'Animosity' Says Chief Petrocchi

Charges of "animosity" in the Daly City police department were aired Monday night in a three-hour session between the council and Chief Roland Petrocchi.

Petrocchi denied in full that there was any bad feeling and said such rumors were a result of "the grapevine process which disrupts the chain of command."

During the meeting, which was held to bring the council closer to the problems of the police department and further cooperation between the two bodies, the chief also expressed discontent at the way the police commission operates.

Commenting on a suggestion of the commission's that an administrative officer be on duty seven days a week, Petrocchi said, "I don't think it's any of their business." He explained that to put an administrative officer on duty weekends would seriously hamper administration of the department during the regular week.

"Run Department"

"If the commission is going to operate like this they might as well come down and run the department," Petrocchi said angrily.

Councilman Micheal De Bernardi said he "had heard" from sources in the department that some officers were being moved off choice shifts or weren't allowed to serve on the desirable shifts.

"It's all done by seniority," explained Petrocchi. "We call in the senior officers and ask them first what shifts they want. After they decide they can't be moved off that shift until there is an opening."

"We should smoke out these petty grievances," said Councilman Edward Dennis.

"Bring Me Problems"

The chief countered by saying, "If officers have any problems all they have to do is come and tell me about it. If I can't give them satisfaction then they should go to the city administrator and as a last recourse to the council."

Petrocchi maintained that this was the answer to all the rumored trouble. "These guys come running to the commission or the council if they don't get their way and I never hear about it until the council puts me on the carpet.

"I believe it says right in the rules and regulations that an officer should go to his superior first with a problem. Why don't you post such an announcement in the squad room so we can get away from this grapevine routine?" City Administrator Dan Andersen said.

At one point in the lengthy session Mayor Joseph Verducci ask-

(Continued on Page 2)

POLICE CHIEF Roland Petrocchi of Daly City and Mayor Joseph Verducci got together for a little transaction as tickets go on sale today for the twenty-fourth annual Peninsula Police Officers' ball to be held Sept. 18 at Bay Meadows clubhouse. All proceeds from the dance go to the Widows and Orphans fund of the association. Music will be provided by both the dance band of Jack Fisher and a "Dixieland" combination led by Harlow Burgess.

THE TOWN RECORD

By MONTE DAYTON

A councilman says people are asking why the local police department didn't conduct their own investigation of the FRANK JOHNSON, (prominent DC businessman), PAULA WINTERS drama.

Police say tthere's nothing to investigate, since the much- publicized alleged incidents didn't even take place in the city limits.

Banning of pinball machines in Daly City has been asked by a citizen who used to wheel and deal in some red hot traveling dominos games right on the top of the hill.

People, even as far as downtown San Francisco, are stopping 13-year-old Parade Promoter DAVID STEWARD on the streets and calling him by name.

This week he was offered a job tending horses because a man saw a picture of him leading the parade and understood he was a pretty good equestrian.

Vacationing from the city family are JAMES MASON, rec director, and FRED COLLINS, deputy health inspector.

ED SMITH, engineer, has returned from a healthful jaunt in Hawaii.

Two cops, stopped at Devil's slide Tuesday to take a look at the car that had plunged over.

The first cop got out of his vehicle. As the other emerged from his auto No. 1 cop said, "Hey you'd better turn your lights out."

As No. 2 cop got out and approached the other officer's car, he said likewise to the other officer.

Both went back to their cars somewhat chagrined and the light situation was finally under control, except for the crowning touch: Writing this item a day later this reporter was reminded that his car was sitting out front — with the lights on.

Brunswick Extension Plans Before State

Revised plans for the Brunswick street extension project were expected to be reviewed by state engineers today and city officials are optimistic that they will gain approval.

If okeyed by the state, the council will be able to call for bids within the next few weeks.

Councilmen said Monday night they hoped the project could be started before the annual rainy season.

COPS COMPETE WITH "HOME, SWEET HOME"

The local police department Serves as a refuge to all in need.

Even men escaping "family trouble" at home, apparently can find seclusion in a cozy cell for the night. Donald A. Espinoza, 750 Bellevue avenue, applied for shelter there last Saturday night at 2:40 a.m. Considerate policemen led him to cell No. 2 where he stayed until 3:25 a.m.

Apparently dissatisfied with the room service, Espinoza asked to be released less than an hour after being admitted. He promised police that he would patch up trouble with his wife.

ACTION AGAINST CITY OFFICIALS SET FOR TODAY

A small claims action naming Mayor Joseph Verducci, City Administrator Dan Andersen and City Clerk B. C. Ross as defendants will come to trial today (Friday) at 1:30 p.m.

Trial was originally set for July 16 but continuance was granted because the plaintiff was in the hospital undergoing surgery.

The action is being brought by Ray H. McMillen, 778 Natoma street, San Francisco, who is seeking $51.05 for damages to his car arising out of an accident November 6, 1953, in which Daly City police officer James Sunderland was involved.

Sunderland was escorting a Governor Knight entourage when a car driven by Fred Del Sarto of Colma pulled in front of him at Mission and Whittier streets, forcing Sunderland's motorcycle across the road and head-on into the McMillen vehicle.

CUT TRANSFERS ON NO. 56 BUS SUNDAY

Starting Sunday at noon riders of the No. 56 (Cemeteries) bus will pay 30 cents fare for trips to and from the cemeteries in Colma and downtown San Francisco.

Elimination of transfer privileges on the No. 56 is one of the two transit changes approved last week by the San Francisco board of supervisors.

At 6:12 a.m. Monday the other revision will go into effect when the No. 76 (Broadmoor) bus starts operating under a new schedule.

One coach, with a 30-minute headway, will serve the No. 76 route, travelling direct from Westlake to the "Top of the Hill" on Mission street mornings and reversing its direction afternoons. Previously two buses were used on the line.

The schedule and equipment will remain the same on the No. 56 line with the only change being elimination of transfer privileges from down town to the lower Colma area.

OK'd By S. F.

The measures were adopted by the San Francisco board on a six-months trial basis to determine if the Municipal Railway's annual $61,000 operating loss in San Mateo county can be eliminated.

Transfers will be provided between the No. 56 and No. 76 buses within the limits of San Mateo county. There will be no transfer arrangements between the 56 and 76 and other lines.

Muni General Manager C. D. Miller says the new No. 76 route has been designed to provide the fastest service for the most people. This is the reason, he said

(Continued on Page 2)

VICKERS CHARGES ADMINISTRATOR NOT COOPERATING

"You've never given us cooperation unless we asked for it," Councilman Sanford Vickers charged Administrator Dan Andersen Monday night in a brief flare-up at a study session with the police chief.

After Councilman Micheal De Bernardi made the remark that "a department head has got to have a firm hold on his men," Vickers said, "That's up to Andersen, too."

Andersen answered, "If I can't decide a problem and don't bring it to the council I must be crazy. We never had this cooperation between the council and the department heads before."

It was then that Vickers asserted that Andersen never gave the council cooperation "unless we asked for it."

Chairman Asks For Donations To Vital Polio Fund Drive

Contributions to the Emergency Polio Fund drive are coming in from the Daly City area but much more is needed, Mrs. Sanford Vickers, local chairman, told THE RECORD today. Monday marked the opening of the Emergency Drive.

Polio funds have been absolutely depleted and it is of the utmost urgency that residents help the campaign with their contributions," Mrs. Vickers added.

A special appeal to "all service clubs, women's organizations and groups of all types" was made by the Polio foundation this week.

Most groups at the national level already have gone on record urging support of the emergency drive.

The City of Daly City led off the drive last week by giving $50 to support the foundation.

Proceeds from 10 boxing bouts on Friday, August 31, will go towards helping the drive from the Daly City recreation department.

The emergency campaign from Monday to the end of August was called to meet the financial crisis in the National Polio foundation

(Continued on Page 2)

Community Center To Close For Repairs

The Community center will be closed September 7 to 17 for repairs, it was announced by the Recreation committee Tuesday night. Closing of the center was approved by the city council at a recent meeting.

Plan $65,000 Drainage Assesssment District

AVERAGE COST $43 ON LOCAL PROJECT

Preliminary plans for a $65,000 storm drain project in Daly City were revealed Monday night by City Engineer Edwin Smith at a study session of the city council.

An assessment district, involving 1500 residences will be formed and average cost per home will be about $43, with a high of $50 and low of $15, based on a "use" ration.

Main portion of the proposed district is east of Hillside boulevard, extending to the city limits and bounded by East Vista on the north and Market streets on the south.

Two other sectors proposed as part of the district include the area bounded by Hillside, A street, Mission and Third avenue, and property between the railroad tracks, Westlake avenue, Mission street and the high school.

More Later

"More territory may be included when we complete our survey," the city engineer said.

He explained that although some of the areas are not contiguous, for economy purposes one large assessment district will be formed.

The drainage facilities are necessary, Smith said, because of the tremendous volume of water which flows unimpeded down city streets during heavy rains. Smith pointed out that a good portion of the area proposed as part of the assesment district is entirely without storm drains.

Part of the project will be filling in the ditch that runs parallel to Market street near the Colma school, long considered hazardous.

Runs 6 Feet Deep

City Administrator Dan Andersen said, "That ditch runs six feet deep in the winter and some day a youngster is going to drown there if the situation isn't remedied."

A 48-inch pipe will be installed underground to replace the ditch and it will handle a good portion of run-off from the proposed drainage system.

The Jefferson Elementary School district has already committed themselves to handle $5000 of the expense of installing the pipe. Total cost of laying the line has been estimated at $23,000 by Smith.

Base Cost On Use

Assessments on the overall project will be based "in general on the amount of area and use of the land," the engineer pointed out. "If somebody has a large lot with one building on it, he'll probably pay the same assessment as a man with a small lot with one building. In cases such as apartment house dwellings where a lot of water is thrown out, the assessment will be higher."

Based on preliminary estimates Smith figures highest assessments will run about $50, while

(Continued on Page 2)

DEDICATE FIREHOUSE ON SUNDAY

Formal dedication ceremonies will be held Sunday for Daly City's new fire station No. 5, located at 50 Lake Merced boulevard in the Westlake subdivision.

The general public has been invited to attend the official "unveiling" of the $79,600 building.

Opening the ceremonies will be Emil Bertelli, chairman of the board of fire commissioners, who will introduce master of ceremonies, William Sweeney Sr., former Daly City judge, fire chief and school trustee.

Father W. Powers of Our Lady of Mercy church in Westlake will deliver the invocation.

Present Flag

The American flag will be presented to the local fire department by T. Wickersham, vice president of the Veteran Firemen's association.

Introduction of guests and dignitaries will follow.

Scheduled to deliver short speeches are the mayor and fire chief.

Lou Larcombe, fire commissioner, has arranged to have orchids for all the women. The flowers will be

(Continued on Page 2)

Recreation Dept. Announces Record Activities Turnout

A grand total of 38,638 youngsters enjoyed the recreation department playground and special program activities during the month of July, it was announced Tuesday night at the recreation committee meeting.

Total playground attendance came to 28,819 with Marchbanks park drawing the biggest crowd of 10,275. Other parks had the following totals during last month: Westlake, 5484; Edgewood, 1072; Community center, 9312; Frankfort, 905 and Lincoln, 1771.

Baseball activities proved the most popular in Daly City with 4257 participants. Other special programs had the following attendance; arts and crafts, 2706; hobbies, 404; archery, 1240 and movies, 1112.

Special events had the following number of children participating: Thornton beach hike, 200; airport trip, 110; zoo, 150; fishing day, 100; carnival, 600; San Francisco bay excursion, 140; junior olympics, 150; roller skating, 120 and planetarium in Golden Gate park, 90.

Recreation department committee members are Chairman Edmund Savagnero, Mrs. Gordon Carlson, Mrs. Ann Eason, Walter Gillies and Thomas Laramie.

Boy Scout Fathers Charge Boy With Attacking Sons

Parents of two Broadmoor boy scouts filed a complaint of assault and battery with Broadmoor police yesterday (Thursday) against George Petroni, 19, 598 Evergreen street, Daly City. Police Chief Ray Savage said that Petroni admitted to police that he hit the two scouts Monday night, but said that the boys first threw rocks at him while he was getting out of a car.

The boys, Robert Roller, 12, 767 Thornhill drive, and John Coulter, 14, 759 Thirnhill drive, claim that the attack was unprovoked. They said that they were returning home from a boy scout meeting along 87th street in Broadmoor about 9:30 p.m. when they noticed a car with three boys in it parked across the street.

"One of the boys came after us and asked us for a dime, and when we told him we didn't have any money, he started swinging," 14-year-old Coulter told this paper.

Neither of the boys received

(Continued on Page 2)

POLL 'CIRCLE RESIDENTS ON WIDENING STREET

Mission Circle residents will be polled next week to determine their reaction to widening the one-way street seven feet and making it a two-way route.

Councilmen discussed this action at a study session Monday night with Engineer Edwin Smith.

Smith said the project would cost about $2750 to increase the width from the present 25 feet to 32 feet. Widening the thoroughfare to 34 feet would increase the cost another $500, the engineer estimated.

Smith said that even though the street is widened, in order to accommodate two-way traffic, parking will have to be eliminated on one side of the street.

Councilman Sanford Vickers argued that even after widening, the street would be too narrow to handle two-way traffic safely.

"Considering the traffic hazard it would create it's hardly worth it," he said.

Remainder of the councilmen favored the project.

Under plans proposed by the city engineer, the street would be widened 3½ feet on each side. This would mean reducing width of the sidewalks to about seven feet.

Money for the widening job would come from the street fund, which could be re-imbursed from gas tax money, Smith said.

Call For Increase In Police Auxiliary; 30 New Uniforms

The city council, meeting Monday night with Police Chief Roland Petrocchi, called for an expansion of the auxiliary police program and gave authorization for purchase of 30 new uniforms for the reserves.

Chief Petrocchi said he would like to see the auxiliary increased to about 25 or 30 active personnel and the council approved his recommendation.

At present there are only 18 active auxiliary officers.

The council agreed that more equipment would have to be purchased for the reserve officers. Rather than obtain uniforms for just the new auxiliary personnel, the council decided to re-outfit the entire group. Councilmen asked for purchase of good quality uniforms, which will run about $35 or $40 apiece.

In other police business Monday night:

1. Councilmen asked Petrocchi if all official city badges were accounted for. Dennis claimed that there were "rumors that badges are all over town." Petrocchi said he could account for all his department's badges.

2. Councilman De Bernardi asked Petrocchi why more officers weren't qualified to drive the local ambulance. The chief said only men carrying an advanced first aid card were allowed to handle the vehicle.

3. Discussed possible methods of cleaning the streets of abandoned vehicles.

4. Asked Petrocchi if the police department had adequate personnel to handle juvenile problems. Petrocchi said that two officers are assigned to this work for the most part. He also pointed out that the police department meets monthly with the Jefferson High school authorities to discuss mutual problems. Verducci suggested the recreation department be allowed to sit in on these meetings.

5. Discussed the quality of the local police department personnel. The mayor inquired as to the

(Continued on Page 2)

TRUSTEES DECIDE

Capurro Site Unnecessary For Vista Grande School

After nearly a year of negotiations to secure the last parcel of land needed for the Vista Grande school site, the Jefferson Elementary School district board has decided they don't need the property.

Mr. and Mrs. Stephen Capurro, owners of Lot 4 and southerly 95 feet of Lot 3 at Thiers and Wyandotte streets, were the lone holdouts among the nine property owners who were approached by the district nearly a year ago.

Thought Worth More

According to formal statement of the board of trustees. "The owners were of the opinion during the negotiations that the property is worth more to them than the school district was willing to pay."

Condemnation proceedings were never started against the Capurro property, but the lengthy arbitration was carried all the way to the district atorney's office, with no success.

Now the school board says, "By eliminating this parcel of land from the Vista Grande site the purchase price of $17,600 and the cost of grading will be saved the district."

This sudden switch after a year of negotiations was made, according to the board, because "the engineer's site utilization plan disclosed very little usable playground area would be obtained by including Capurro's property."

Saves $20,000

Total saving will be $20,000, trustees said.

The Vista Grande site was purchased for the construction of a school to provide facilities for primary grade children residing in the north Hillside boulevard area. At present these youngsters attend Woodrow Wilson and Thornton schools, which means that fifth and sixth graders must be transported by bus to the Colma school.

No construction date has been set for Vista Grande. It was to have been built before Colma primary additions, but the need for classrooms prompted the board to proceed with Colma as the plans and site were ready for that project.

Next job scheduled for construction is the Benjamin Franklin school additions. Building plans are completed and work will start in early 1955, after arrival of state funds.

No Police Animosity Says Chief Petrocchi

(Continued from Page 1)

ed Petrocchi what the status of Daly City is now.

"City Is Clean"

"As far as I know it's clean," the chief commented.

DeBernardi retorted, "I don't like that answer. All we want is a single answer—is the town clean or isn't it?"

"If you want to put it that way, yes, the town is clean," Petrocchi fired back.

"I'm not that foolish to stick my neck out and say there isn't any vice going on. Every town has some of these problems.

"This town is closed," Petrocchi re-emphasized, "And if it ever opens up you can find yourself a new chief."

DeBernardi then referred vaguely to a San Francisco bookie operation. "I wish I could remember his name. He stops here in Daly City at two or three places," the councilman said.

"Sure, I know of two on the 'top of the hill' right now," Petrocchi answered. "But as far as we can determine they're not operating."

Mayor Backs Chief

Verducci backed up Petrocchi's statement that the town was free from vice and added, "I think you're doing a fine job. Everything I know substantiates your statement on the status of Daly City."

Petrocchi took some more pot shots at the police commission when he stated that his department, not the commission, should conduct investigations of alleged crooked establishments. Referring to the recent probe of a "top of the hill" night spot, Petrocchi said he already had an investigation in progress and that the commission's inquiry hurt his investigation.

The council backed Petrocchi in a request that police records be more restricted.

"Too many people have had access to our files," the chief pointed out. "These records are the backbone of the department and if they're lost or stolen we're on the spot."

Go Through Records

Petrocchi said that in the past officials have taken it upon themselves to go through the records without notifying the officer in charge.

"We don't belong in those records and nobody else does unless they check with you first," said Mayor Verducci in concurring with the chief.

Later in the evening, in voting down, 4 to 1, the commission's proposal that an administrative officer be on duty seven days a week, Councilman Sanford Vickers brought up the question. "Why do we need a commission if we're going to take the chief's word for everything?"

The city administrator interjected, saying, "That's a good question."

However, Verducci said the commission was a necessity. "We should weigh both arguments and base our decisions on both the chief's and the commission's opinions," he declared.

Octopuses and squib are cephalopods — meaning "head-foot — and refers to the fact that the arms or tentacles are actually a part of the head.

Average Cost $43 On Local Project

(Continued from Page 1)

the minimum cost will be $15.

Pay Over 10 Years

Homeowners will be able to pay off the levy over a ten-year period, Smith added.

It will be approximately two months before Smith can have a full report on the project prepared. A public hearing will have to be scheduled, probably about January, he indicated.

If weight of protests at the hearing bogs down the formation of the district, the council can legally overrule the homeowners and proceed with the drainage job.

Law governing sixth class cities states that if a sewerage or drainage problem becomes a menace to the public health and safety the city can undertake to demand formation of an assessment district to handle the problem.

The engineer believes construction on the drainage system may be started in spring of 1955.

Dedicate Firehouse On Sunday

(Continued from Page 1)

flown in from Hawaii.

"Miss Daly City" will be in attendance to present the orchids.

The ceremonies will conclude with benediction by Father Powers.

Most Modern

Visitors to the firehouse will see one of the most modern and extensively equipped buildings in the Bay Area.

The apparatus room will accommodate five pieces of apparatus. Now housed there are a 65 foot aerial and a 1000 gallon pumper engine.

The fire alarm control room is set up to receive alarms, sound gongs, has a "vocalarm" system, connecting it with other firshouses, a mechanism to control traffic signals on Alemany, and direction wire to the police department. Sleeping facilities are provided in the control room so that section can be manned 24 hours a day. There is also a public address system throughout the building.

Other Facilities

Other facilities are an assembly room, kitchen, dormitory, locker room, officers quarters, office, workshop and photographic dark room.

A drill and hose tower, equipped with wet and dry stand pipes, fire escape and sump for pumping operations, has been installed for training purposes, as has a drill yard with a six inch water main with double hydrant.

Architect on the job was Louis Baldini, while William Maroney was contractor.

Some drivers fuss about the other fellows bad driving habits and forget about their own, points out the National Automobile Club. Have you checked up on your own driving habits lately?

Cut Transfers On No. 56 Bus Sunday

(Continued from Page 1)

that morning service will take Westlakers direct to connecting down-town lines, while in the afternoon the Westlake riders will go straight from the top of the hill to their homes.

Six Days A Week

The No. 76, as in the past, will operate every day but Sunday, starting at 6:12 a.m. and making the last trip from the Plymouth and Broad street terminal at 6:42 p.m.

Miller said the No. 76 riders will have connection with the No. 28 and "M" lines at the Plymouth terminal. The 76 will connect with Nos. 14 and 26 at the Mission street and San Jose avenue intersection (top of the hill) in Daly City.

Miller submitted the following "approximate" running time for the morning schedule on the No. 76: Leaves Broad and Plymouth terminal at 12 and 42 minutes after the hour; top of hill in Daly City at 15 and 45 minutes after; Knowles and Junipero Serra blvd. at 18 and 48 minutes after; Briggs and Washington, 21 and 51 minutes after; 87th and Washington, 24 and 54 minutes after; 87th and Southgate, 27 and 57 minutes after; Dorchester and South Mayfair, 30 minutes after and on the hour; back to Knowles and Junipero Serra intersection, 33 and 03 minutes after; Daly City terminal at top of hill, 36 and 06 minutes after; back to Plymouth and Broad terminal at 39 and 09 minutes after. There will be a three-minute layover at this terminal.

Afternoon Run

Times for the afternoon run are the same up to the point where the route is reversed at Junipero Serra-Knowles.

Instead of going down Junipero Serra to Broadmoor, the coach travels direct to Westlake, arriving at Dorchester 21 and 51 minutes after the hour.

Remainder of the approximate time schedule for the afternoon route is as follows: Leaves Southgate and 87th, 24 and 54 minutes after; 87th and Washington, 27 and 57 minutes after; Briggs and Washington, 30 minutes after and on the hour; Knowles and Junipero Serra intersection, 33 and 03 minutes after; top of the hill, 36 and 06 minutes after; arrives at terminal 39 and 09 minutes after hour.

The Muni has advised persons desiring to board near the Junipero Serra-Knowles intersection to wait at the railroad tracks on Knowles.

Shorter Route

The new route of the No. 76 is shortened, with many of the Broadmoor stops being eliminated. The bus will leave the Plymouth and Broad street terminal, travel up San Jose avenue to Mission, right at Knowles to Junipero Serra, south on Junipero Serra to Washington street, right to 87th street, up 87th to Southgate and Ashland, over to South Mayfair, up Alemany to Knowles and up Knowles to Mission, left down San Jose avenue to the terminal. The afternoon run is the same, but reversed at Junipero Serra-Knowles.

In the rush hours, the No. 76 will connect in Daly City with limited stop and express buses bound for downtown San Francisco.

Muni officials are expected to release a definite timetable for the No. 76 within a few weeks, following time tests of the line during its initial period of operation.

County To Study DC Council's Plea For Hospital Here

The County Board of Supervisors said Wednesday that they would consider the request of the Daly City city council that an emergency hospital be established in the north county. Supervisor Thomas J. Callan, Colma, told the meet that he doubted the necessity for a hospital.

Supervisors have been considering relocation and enlarging the facilities of the county health center at 7375 Mission street here. County Manager E. R. Stallings said that no consideration has been given to the location of an emergency care center.

"It would be a tremendous undertaking to staff such a center 24 hours a day," he added.

Callan said that, because of the presence of Serra hospital and arrangements for emergency ambulance service at Junipero Serra hospital, he doubts the need for an emergency hospital.

"I don't see how you can get better care than you do now," he declared. The request was forwarded to Stallings and Dr. Harold D. Chope, county health welfare director, for study.

Chairman Asks For Donations To Vital Polio Fund Drive

(Continued from Page 1)

caused by a $20,000,000 deficit in the regular drive earlier this year to pay for the new polio vaccine tests now under way and to continue paying huge bills for care of persons stricken.

Donations may be sent to the county polio fund office or to Mrs. Vickers. Contributions may also be made through large posters displaying "E," denoting emergency. These posters, which will hold $8 worth of dimes, will be displayed at local stores.

RODEO

Rodeo, located in Contra Costa County, is reported by the National Automobile Club to have been at one time the scene of large cattle roundups.

MISSING DC GIRL, TWO BOYS PICKED UP IN S. CALIF.

A 15-year-old Daly City girl was picked up in Long Beach last weekend with two juvenile boys, 15 and 17, also of Daly City. The juveniles had been missing for about two weeks. They were turned over to juvenile authorities after the girl admitted to local police that she had passed four bum checks during the latter part of July.

Missing person reports were turned in on the trio after they disappeared from Daly City on July 31. Parents of the two boys told police that the girl asked permission of the boys' father to let his sons accompany her and her family to Santa Cruz for the day.

Granting permission, the father later found his car missing. It was found abandoned in King City, and the juveniles were picked up by Long Beach police on Monday. The girl was found to have in her posession a false driver's license bearing the name Joan Graham.

The four bum checks, amounting to about $50, were made out to Joan Graham on San Diego street in Daly City.

The girl told police that she found the checks in a waste paper basket at the home of Joseph Figueras, 179 W. Moltke street, where she was baby sitting. The checks were each signed by Figueras.

The Figueras home was burglarized of an estimated $800 worth of jewelry on July 1, according to a police complaint. Figueras said later that he found a house key, which he had hidden in the residence, had disappeared. The girl, who police say could easily pass for a woman in her early twenties, denies any connection in the burglary.

The biggest check was made out for $15.50 and passed at Gambel's Western auto supply on July 28, according to police reports. The girl apparently bought purchases totaling $2.54 and received the remainder of the check in change.

She is quoted as asking for 36 beer mugs at this time, explaining that she needed them for a "party on Saturday night." The store did not have the large number of mugs in stock.

Another check for $15 was passed at Castle Gardens grocery store in Daly City, where an employee estimated the girl's age to be 22. The two other checks were offered in payment for small purchases at the Shell drug company in San Francisco and at a pharmacy in West Portal.

California cities realize a higher revenue from parking meters than municipalities in any other State. According to the National Automobile Club, the total fees collected in California exceed four and a half million dollars a year.

California's richest fishery is tuna, which netted fisherman almost $55 million last year.

Boy Scout Fathers Charge Boy With Attacking Sons

(Continued from Page 1)

hospital treatment, but it was reported that 12-year-old Bob was badly bruised and swollen about the face.

The boys' fathers, Larkin Roller and J. R. Coulter, signed the complaint at Municipal court yesterday afternoon.

POLICEMEN'S BALL TICKETS GO ON SALE THIS WEEK

Tickets were in the mail today to all residents of San Mateo county on behalf of the annual Peninsula Police Officers' ball to be held on September 18 at Bay Meadows clubhouse in San Mateo.

This will be the twenty-sixth annual ball of the association. Total price of admission is $1 per ticket. All proceeds from the ball are used for the benefit of the Widows and Orphans fund of the Peninsula Police Officers association, said Robert Hintermann, Burlingame police officer and president of the association.

Two outstanding bands, each geared to a different musical taste, will play at the ball. Jack Fisher's popular Bay Area orchestra will furnish the regular dance music, while Harlow Burgess and his "Dixieland" combo, will provide two-beat music upstairs.

The association is composed of police officers of all Peninsula cities and is the only organization representing local police departments.

Officer Alfred Caviglia of Burlingame is general chairman of the ball assisted by Sergeant Theodore Stead of Hillsborough; Ernest Lena of Hillsborough, music; Peter Fena of Hillsborough, invitations; and Officers Earl McKinnon and William Oakes of San Mateo, hall committee.

Call For Increase In Police Auxiliary; 30 New Uniforms

(Continued from Page 1)

type of training men must undergo before being named to the force. Petrocchi suggested that the probationary period be extended to two years and the prospective officers be given psychiatric exams.

WASHINGTON

Washington is one of the few states where motorists can drive from the seashore, through forests, across snow-covered mountains and into the desert in a single day, points out the National Automobile Club.

De Young Memorial Museum in Golden Gate Park in San Francisco was originally constructed for the famous Midwinter Fair of 1893.

The earthquake and fire of April, 1906, destroyed practically all of the properties and books of the San Francisco Public Library.

FOUR DC YOUTHS ESCAPE HURTS NEAR SANTA CRUZ

Four Daly City youths bound for Santa Cruz escaped with minor injuries early Sunday morning when their car plunged over a cliff and was demolished.

The driver, Bruce Owens, 17, dozed off as he was travelling north on highway 157 just outside of Gilroy.

The car turned over twice in the air as it careened off the cliff, then crashed against a tree.

Observers said that the vehicle would have rolled several hundred feet to the bottom of the hill had not the tree stopped its fall.

Suffering minor cuts and bruises were John Madden, 18, Joe Ruelas, 18, and Owens, Vernon Wallagara, 17, injured his hip, but was not hospitalized.

Wallagara is a student at Riordan High school, while the other three youths are Jefferson High graduates.

The State Park Commission's function is to administer, protect and develop California's park system for the use and enjoyment of the people.

Gas and electricity are cheap in California!
When the Smiths moved to California last year, they were delighted with their low gas-electric bill.
Their P. G. and E. bill for one month was $15.81
Where they used to live, the same amount of gas and electricity would cost $36.23
Take advantage of your low P. G. and E. rates! Enjoy more of the time-saving and work-saving appliances that make living so much easier.

"Our dishwasher did 860 dishes last month for just 65¢" says Mrs. T. Leaming Smith, Jr., 21 Cove Road, Belvedere, (shown here with her husband, and two of their three daughters.)
"Three meals a day, all through the month, add up to a lot of dishes to wash. So I consider this wonderful dishwasher a real life-saver. The built-in waste disposer is a big help, too. But what really amazes me is the low cost of running the dishwasher. Imagine, it washed and dried eight hundred sixty dishes last month for sixty-five cents! That's my idea of a bargain!"

SECOND STRING POLICEMEN

In our judgment, the council and the police chief have acted soundly in calling for an increase in the size of the auxiliary police force.

First, because as the chief points out, men who serve on the auxiliary force are sometimes excellent candidates for the regular department.

The auxiliary force can act as a training ground for many potential officers. Regular officers are given an opportunity to get acquainted with the reserves and thus find out what kind of officer material they might make.

Secondly, in the absence of any real civilian defense here, the auxiliary constitutes Daly City's only protection and source of organized manpower in time of disaster.

In addition, the auxiliary does yeoman duty on parades and other public functions.

From the secondary standpoint the auxiliary does the city a good turn.

Auxiliary officers serve right along with the regulars on some shifts that are short-handed. Although their work is on the training level, it is still an asset to the department to have an extra man along in a patrol car.

The auxiliaries are a definite asset to the city and will be better equipped to do a good job with an increase in personnel and purchase of modern equipment.

My Mad World

By Leonore Brewer

It's been a good two hours since we fed the typewriter a fresh piece of paper and sat back, waiting for inspiration to come. We've still waiting. We have a horrible feeling that this is going to be one of those efforts irreverently known as "pot-boilers." The way we feel new we'll be lucky if it does boil and not just simmer.

Of course there are a lot of things we could talk about. The opera season is now less than a month away and the repertoire is so exciting that it would seem that stringing together a few hundred words about it shouldn't present any problem.

We have three "firsts" this year: The first San Francisco Opera production of Wagner's "Flying Dutchman," the first American performance of Cherubini's "The Portugese Inn" (first produced in 1790), and the first American stage performance of "Joan of Arc at the Stake" by Honegger. The latter work was composed in 1935, so if you choose to attend only these three, you are guaranteed a variety of styles that is positively staggering.

Then we could always do another bit on Daly City's own concert series, and draw your attention to the fact that many of the singers appearing with the San Francisco Opera Association are also connected with Community Concerts, Inc. and quite possibly could appear locally, previous engagements and our funds permitting of course.

At this point we bogged down again, and in searching for an idea we ran across an article by Dore Schary, studio head of MGM. His topic was executive responsibility and in developing his theme he got around to mentioning television. It was very refreshing to find that instead of thinking of television as being the movie industry's doom, he considers it a challenge. Moreover, it is a challenge that has been met by a tremendous response from the industry. It has been met and will continue to be met by the motion picture executive able to answer "intelligently, effectively and shrewdly" the three essential questions about his films: "What's it about," "who's in it" and "how well is it done." This has nothing to do with any of the new screen sizes or dimensions.

This column once said that the size of the screen does not determine the worth of a picture. It is very gratifying to find so eminent an authority expressing the same thought.

LION TALES

By Joseph Belli Jr.

At the luncheon meeting on August 11, two new members were introduced into the club. Lion Howard Naify, manager of the Serra Thaetre, and Charles Hildebrand, manager of the Broadmoor Pharmacy, were inducted into the Lions Club by Past President Walt Rector. Lion Walt gave a good speech to the two new members telling them what is expected of them as Lions and also what good Lionism is.

On Wednesday, August 25, the Daly City-Colma Lions club will have a joint meeting with the Brisbane Lions club at The Colonial. Guest speaker for the day will be Past President Stanford Hannah who will speak on, "The Financial Conditions of Jefferson Union High School." Also at this meeting Mrs. Marrianne Read, senior vice president of the Veterans of Foreign Wars Auxiliary, will present to the club a certificate of outstanding activities for the past year.

DEPENDABILITY — The Trait Of A Lion

There are many important qualities of character that contribute to the success of an individual or an organization, but perhaps there is none that is more important than dependability. One of the many well known qualities that has contributed to the unparalleled success of Lionism is the dependability of its leaders. DEPENDABILITY, like loyalty, is an acquired trait. It isn't so much what a man knows that counts, but what he can be depended on to do with his knowledge. The Lions can be depended on. Their past records of community service stagger the imagination. Lions combine their ideas, talents, and abilities in unselfish community service, and their spectacular records of performances have given them the reputation of dependence beyond comparison, for DEPENDABILITY IS THE RECOGNIZED TRAIT OF A LION.

INCORPORATION AGAIN TOPIC IN BROADMOOR

Broadmoor incorporation talk reached the committee stage last week.

At a meeting held Thursday night, a seven-man committee was chosen to investigate all aspects of incorporation.

"We're not coming out for or against incorporation now," a committee member said. "All we want to do is look into the possibility of such action and see what it involves."

Thomas Callan Sr., county supervisor, told the group that a southern California city was sending representatives to Sharp Park in the near future to explain incorporation. He suggested the committee attend this meeting.

Members of the committee are: Til Conserva, chairman, Joseph Belli Jr., Sam Felser, Elio Fontana, James McKay, Harold Richardson and Thomas Noonan.

Ridgley Cummings Reports

ACQUIRING WHEELS

Seven million, nine hundred thousad people bought cars in 1952, and I wasn't one of them.

Last year the volume of car sales, both new and used, was around 15 million according to the magazine Business Week. And still I wasn't a statistic.

But this year it is a different story.

For three years I got along well enough in Hollywood and environs without a car. And this despite the fact that I was living in an area that has more autos per capita than any other section of the world.

My companions worried about gas prices and repair bills while I went blithely along, walking in the sun when possible, taking buses when it was unavoidable, unencumbered, free as a bird, without wheels.

Lately however my professional duties and personal responsibilities have increased. I've had greater distances to travel and less time to get there. I began to resent the intervals I was wasting standing on street corners waiting for buses while everybody and his brother whirled past me on rubber.

Another factor in making me car conscious was the steadily mounting cost of public transportation.

The basic fare in Los Angeles is now 15c but there is a zone system here and the zones are getitng smaller. Most everywhere I wanted to go was so located that it cost me a nickel or a dime extra. Multiply that by two for the return trip and I reasoned that if I made only two journeys a day I was spending a dollar or more for transportation.

It seemed likely that I could drive a car for that, at least so far as gas cost was concerned. Consequently I declared myself in the market for a good used car.

First I made the rounds of the car lots, which advertise tremendous bargains for practically no down payment. Alas, I discovered that because I didn't owe any money and had never borrowed any, I didn't have any credit rating. Without a rating you don't have any credit.

Nor was I too anxious to mortgage my future earnings for the next year or so in order to buy a "good" used car at around seven hundred dollars. I decided I would pay cash and buy a "cheapie."

This decision I relayed to a dozen or so friends and all sorts of leads resulted. At least half of my associates had a jalopy of some sort that they wanted to unload. Some of the vehicles seemed pretty good buys but various complications delayed consumation.

In some cases I would have had to take over monthly payments. In others the price was out of line with what I had learned about the current market. It wasn't until last week that I actually got my bill of sale and my car.

The vehicle is of 1941 vintage. It is a big car, a Chrysler, and I paid $100 flat for it. I bought it from a friend of a friend and the deal worked itself out so that I was practically committed to the purchase before I saw it.

Both my friend and his friend were so nice about everything that all I did was make sure the car actually ran before writing out a check and taking possession. Somebody had told me that you don't actually own a car until you have the pink slip in your hand so I asked about this. It was in Sacramento getting transferred, the friend of a friend said, and he would give it to me next week.

Not until later did I wonder how his could have been a one-owner car if the pink slip was in Sacramento. Surely nobody waits 13 years to register ownership. But that was just a minor suspicion that crossed my mind after I got underway.

After the financial details were over, my friend, who had driven me to Alhambra to make the purchase, jumped into his own late model convertible and sailed off to keep another appointment. I was left alone with my new aquisition.

Gingerly I got behind the wheel, pressed the starter, and tried to put the gears in low. There was no low. I had bought a car with a fluid drive, I now learned. There were just two speeds ahead, plus overdrive.

From Alhambra to Hollywood is about 18 miles and during that drive I heard enough strange noises to make me a skeptic for life.

When I put my foot on the clutch there resulted a whirring whine that sounds like a coffee grinder about to take off under jet propulsion.

With the clutch out it was almost as bad. Something under the hood played a merry tapping tune that increased in intensity whenever I accelerated. I had heard this during the demonstration, though not so loudly, and the friend of a friend had assured me that it was only "the tappets," whatever they are, and that the noise didn't mean a thing.

Competing with the racket up front, from the rear came strange grinding and clunking noises.

On the credit side, the car looks fairly nice. It was a dirty grayish color when I got it but that's all changed now. To break it in, the first day I owned it I picked up two women and four children and drove them out to the La Brea tar pits. The kids had a fine time looking at the fossils and playing in the grass in the surrounding park.

When we got back I did a Tom Sawyer. Announcing that I was going to have some fun, I took the garden hose and sprayed it over the grime.

Like magic four little gremlins appeared with rags and began helping me wipe the car down. The result was a beautiful cream finish, with shining chrome. When I showed it to a friend he was amazed that I had bought it for less than five hundred. Only when I started the motor did he nod his head and say, "Ah, you bought a paint job."

Actually he was wrong, for I didn't suspect the good paint under the dirt, it not being visible to an inexperienced observer like me.

The first Sunday of my ownership I put the jalopy to the supreme test. I drove it up the mountain to Griffith Observatory.

On this trip a friend named Leo and I split the load between two cars. He took a woman and child and I piled two females, an adolescent and the remaining children into the roomy interior and we started out.

I had arranged for Leo to drive behind me and observe whether or not I was burning oil on the climb. His verdict was negative. My exhaust was fairly clean, he said, but my right rear wheel looked like it was coming off at any moment. It wobbled and clunked and he warned me not to speed, for fear of turning turtle when it finally breaks off.

Despite the noisy motor and the complaining clutch, I got most of the way up the mountain in high and the rest in second easily. Lucky I did, for there is no third gear.

I'm still waiting for the pink slip. When I get it I'll have the car transferred to my name and then trade it in on something else, provided of course that it doesn't fall to pieces meanwhile.

And I've decided to be real noble about the whole transaction. My friend phoned the other day and asked how the car runs. "Fine," I lied.

But when I make the trade-in, I'm going to look around for an enemy to deal with.

Safety News

Watch Speed Limits

California motorists planning to drive over freeways and turnpikes in the Eastern United States are cautioned to observe all posted speed limits.

The Pennsylvania Turnpike commission and other state bodies have recently made drastic reductions in these speed limits in various areas in a concerted effort to cut down on the large number of serious and fatal traffic accidents.

Typical of the ways in which the authorities are cracking down on speeders is the practice on the new Turner Turnpike between Oklahoma City and Tulsa of stamping the time on a driver's ticket when he enters and then checking it when he leaves. If, according to the time elapsed, he has driven this stretch faster than he should have, he is given a ticket for speeding.

Right-Of-Way

Many serious accidents are caused by drivers who may have the right of way but who insist on their rights in the face of almost certain disaster. This combination of stubborness and today's high peed traffic has killed thousands. A driver who lets his actions result in an accident, even when he has the right of way, may be held at fault by the court if he has the last clear chance to prevent it.

Accident Report

Total: Eight.

Breakdown: Seven auto-auto, one auto-bike.

Injuries: Two male, one female.

BPOA AWARDS BID ON TRIMMING ACACIA TREES

Contract for trimming 900 trees in the Broadmoor area was awarded to Michael Desmond, 876 Hanover street, Daly City, by the Broadmoor Property Owners association board of directors Thusday night.

Desmond's bid for the job was $1200. There were six bids submitted. The $1290 bid entered by Donald McMichael was kept on hand by the board in event that the winning bidder failed to meet specifications.

Desmond will start immediately on pruning the 900 black acacia trees that line Broadmoor's streets.

Completion of the project is called for in three months.

Jeff High Increase Second Highest In San Mateo County

Rate of increase in school attendance at Jefferson High school district ranked second in San Mateo county, Superintendent of Schools James R. Tormey reported today.

Jefferson showed a 14.3 percentage increase, topped only by Sequoia, with 15.1 per cent. Enrollment at the local high school in 1953-54 was 1238, as compared with 1084 in 1952-53. The Jefferson district is third largest high school district in the county.

Jefferson elementary district enrollment was slightly behind the rate of increase in other districts, showing a 11.2 jump from 1952-53 to 1953-54. Overall rate of increase at all levels for the school year 1953-54 was 12.8, as against 11.6 percent increase for the previous year.

The elementary district had an enrollment of 3753 for the 1953-54 year, 496 more than the 3257 figure for 1952-53.

Tormey emphasized that while the elementary schools had maintained their rate of increase (12.6 per cent), the beginning of the effects of the wave of World War II children moving into the high schools was demonstrated by an increase of 11.2 per cent in the high schools compared with 10.3 per cent in 1952-53.

Tormey indicated that preliminary estimates of the state rate of growth indicated that San Mateo county's growth rate was some 50 per cent greater than the state average.

Eight N. County Drivers Involved In License Action

Eight north county drivers recently were handed out disciplinary action by the state department of motor vehicles.

Lars Rod Olsen, 184 Peoria street, Daly City, had his dirvers license revoked. Suspension of licenses went to: Dallas John Affolter, 242 Wyandotte street, Daly City; Charles Francis Gerughty, 357 First avenue, Daly City; Charles Bernard King Jr., 161 Pacific avenue, Sharp Park; and Charlotte Fae Spangler, 744 County road, Sharp Park.

The licenses of Abner Wallace Owen, 423 C ctreet, Colma, Charles Albert Roach, 161 Citrus avenue, Daly City, and Vernon Leslie Spring, 24 Werner Street, Daly City, were placed on probation.

Leo Ben Olson, 357 Westlake avenue, was among those convicted of vehicle code violation 502, driving while intoxicated, with no suspension of license recommended by the court.

Permanent reinstatement of license was granted to Raymond Gale Allen, 729 Hanover street, Daly City.

Village Playschool Prexy Thanks All For Help On Dance

Mrs. Albert Lepore, president of the Village Play school, this week expressed her thanks to all who helped make Saturday's Fourth Annual Dance at the Lakeshore Plaza auditorium such a huge success, and especially to the Hromada Candy Co., donators of the delicious candy prizes.

The carnival theme was cleverly carried out by the decoration committee, headed by Leroy Larson, who erected the amusing animal mobiles, assisted by Aida Larson, Francis Roberts, Alice Kerr and Joe Sturla.

Emcee of the gay evening was Russ Coughlan of television and radio, who also announced the winners of the midnight drawing for a Westinghouse dryer to be Mrs. M. B. Boswell of 469 San Diego street, Daly City, a jalopy, Jack Lepore, 4177 4th street, San Diego and a floorwaxer, Mr. Klebauoff of 203 Indio drive, South San Francisco.

Hit of the evening was the kissing booth and its attractive hostesses. Also popular were the dart game, ring toss game and a basketball game. Good refreshments and dance music rounded out an evening that was fun for all attending, Mrs. Lepore said.

Local Concert Assn. Makes Final Plans For Member Drive

With the date of the membership campaign, September 13 to 18, drawing near, the staff of the Vista Grande Community Concert association is busy with final preparations.

Thomas E. Brewer, president and co-membership chairman, met with Mrs. Carlton Reed, division chairman and her team captains last week for final instructions prior to the dinner to be held September 13 at Rickey's Red Chimney in Stonestown. The dinner will serve as a kick-off for the campaign, following which the staff of the organization will conduct their one-week campaign for members.

Membership dues in the organization are $6 a year for adults, $3 for students. A membership entitles one to attend all concerts sponsored by the association in Daly City during the coming season. No individual tickets will be sold to any of these concerts by world famous artists. Following the campaign, the board of directors of the association will meet with Community Concerts, Inc. of New York and select the concerts to be presented here. Under the sponsorship of the New York organization, a minimum of three concerts will be presented here, with additional concerts scheduled on the basis of total membership secured during the campaign.

Team captains meeting with Brewer and Mrs. Reed were Mesdames John Anderson, Joseph Belli Jr., Donald Costa, Sina Costa, L. W. Drumheller, Allan Fisher and George Reich. Mrs. Reed announced that Mesdames R. C. Adams, John Azevedo, Martin Orloff, Gwen Mitchell and Mr. and Mrs. E. Tourkoff would also serve as team captains but were unable to attend the meeting.

Similar meetings are scheduled during the coming weeks with other division chairmen throughout Northern San Mateo county.

Local Air Force Sergeant Commits Suicide In Nevada

Edward L. Selsor, 21, 121 Parkview avenue, Daly City, was found dead in his car Sunday near Nellis Air Force base in Nevada. The air force sergeant apparently committted suicide, according to a United Press report.

Investigators said Selsor parked his car behind the base hospital and ran a hose from the exhaust to the car window. The sergeant was chief wardmaster at the base hospital.

Graveside funeral services will be held at 10:30 a.m. Friday at Golden Gate national cememtary.

Selsor, the son of Mr. and Mrs. L. Selsor of the local address was a graduate of Jefferson High school. He entered the air force immediately upon graduation.

Besides his parents, he leaves a sister, Mrs. Anthony Furtado of Richmond; and brothers, John and James Selsor who live at the family home here.

Car Boosters Take Estimated $475 Of Loot In Two Weekend Hauls

Two reports of car boosting at the Park Plaza drive car port, totaling an estimated loss of more than $475, were reported to local police Sunday. Both thefts occurred on sport car models.

A car belonging to Allan F. Fanning, 41 Park Plaza drive, was found Sunday in a San Francisco service station after Fanning had reported the theft to local police. An estimated total of $288.25 of accesories was found to be missing from the car when it was found. Also missing were two beach towels which had been in the back of the car.

Mrs. Maragaret Swinburne, 181 Park Plaza drive, reported the second theft from the same car port. Her car was found parked in the rear of 61 Park Plaza drive with $188 worth of accesories gone. Missing articles included a heater, radio and wool blanket.

Both cars had been entered by prying the door lock with a wire or similar article through the side window, according to police.

KEEP OIL AT FULL LEVEL
Keeping the supply of crankcase oil at the full level will result in consumption economy, according to the National Automobile Club. The lower the level the hotter the oil gets in use and then the more it evaporates.

YOUR NEIGHBORS AND MINE

By Betty Brush

HELLO NEIGHBORS:

Well another week in the month of August has passed. Vacations are rapidly drawing to a close and most of the folks are getting re-adjusted to being home again. The Weather as usual has made all of us wish we were anywhere but here although according to the kids, "just wait until school starts and the sun will come out." Lots of the neighbors are still on vacation so let's hear about them.

MR. and MRS. STEELE are now in New Mexico visiting their daughter MRS. ANNE YOUNG. They expect to stay at least two weeks and then they will go on to Los Angeles to visit one of their former neighbors. They will be home with more news for all of us by September 3.

Congratulations are due this week to MR. and MRS. WILLIAM BRUSH of Niantic avenue on the event of their 20th anniversary. Dot and Bill are among the most well known folks and one and all of us wish them many more years of happiness.

Having a birthday Saturday was Pvt. JAMES JASTRUMSKE, of Los Olivos avenue. He was home on a weekend pass and celebrated the day with a family dinner and of course the birthday cake which this year had eighteen candles on it. How fast these youngsters grow up. Seems just like yesterday he was starting to school and now he is one of Uncle Sam's finest. Happy birthday from all of us too, Jim.

Items Of Interest

One of the happiest of young men about town is LOUIE COOPER. Last week he joined the many who went deer hunting but unlike most of the hunters, Louie brought home the deer. His friend Gene was not as lucky and had to stand by and see his vanish into the bushes. Of course Louie intends to go again and get another one in the near future.

More visitors for out town. MR. and MRS. RICHARD HUTCHINGS formerly of Daly City decided to come up and see how the rest of us were doing. When they left home the sun was shining brightly but when they got here to spend the day with their relatives they almost froze to death. After a nice visit they returned home to warm up.

Returning home after two weeks spent at Palm Springs were MR. and MRS. IRWIN CAMERON and family, CAROLYN, BUNKIE, JUDY and RICHARD former residents who have deserted us for Redwood City.

Most of the time the majority of us go around each day with our own little troubles and not thinking too much about the other fellow at all. Then something happens and we find out just how grand the folks can be. MRS. MOLLY WALTON would like to take this way of saying thanks to all the neighbors, those she knows and so very many who she doesn't know, who have been kind enough to send cards to her daughter GINGER who is still in the hospital. The youngster still can't handle the cards but she looks at them as they sit on her dresser. She is still receiving plasma and as soon as she is able will have to undergo the ordeal of plastic surgery. This will all take time so let's keep the cards on their way to MISS LILLIAN WALTON, Community Hospital, San Mateo (Children's Ward).

Another date to remember is Saturday night, August 21. The place will be the O.L.P.H. Parish Hall and the event is a dance sponsored by the MEN'S CLUB of the Parish. Anyone who has attended one of the affairs in the past knows just how much fun they are. The music is always good and of course there are refreshments. Come and meet your neighbors and have a good time Saturday night.

MRS. ANNE INGERSOLL has a suggestion to pass along to the folks. We all have lots of Xmas cards from last year, birthday and other types of greeting cards we tuck away in drawers until they eventually get thrown out. There is a young man in Bengal, India, who is a Catholic priest in charge of a mission which he helps to support from the exchange of these cards. Also he can use any and all stamps and postal cards with stamps. The thing to remember is not to detach the stamps but to cut around them. They can handle all you would care to send. Even stamp collections which have been started and whose owners have lost interest in them will be gratefully received and personally acknowledged. Anyone interested in this project can learn more details if they will call Mrs. Ingersoll at 369 Crocker avenue. This is one way of getting double our moneys worth out of a 3c stamp.

Servicemen

Had a visitor last week and I have a correction to make. CPL. PAUL A. MITCHELL is not a Cpl. He is a STAFF SERGEANT! How could I ever make a mistake like that? Paul being the kind of fellow he is didn't really care anyway. He is so glad to be home and have only three more months to serve it didn't make any difference to him. Fact is the only promotion that he really is looking forward to is that of just plain civilian.

PFC. JAMES MINOR of the U. S. Marines has a new address. He is now in Korea where he will probably meet up with some of his friends who are stationed at a base nearby. It's getting so that you can't put your finger on a place on the may that you don't hear of a Daly City boy being there.

Flying out of Travis Air Force Base on the 2:10 a.m. plane Saturday was A 3/c EDWARD F. HARPER. This being his first experience in a plane he was torn between the sadness of parting with his folks and the anticipation of the ride. Ed will be stationed at the Air Base Hospital in Nagoya, Japan and we will probably be hearing from him soon.

A 2/c RICHARD PHELPS writes that Korea, or rather the part that he is stationed in, is now beginning to dry out a little bit. He has his regular hours of duty now and plenty of time off to go nowhere. He isn't too far from where his buddy Jackson is stationed and they get together occasionally and visit Seoul which according to him is still pretty much of a mess.

News And Views

Welcomed home recently from a long seige in Letterman Hospital where she was very ill was MRS. LEE O'NEILL. Lee was sadly missed by all her many friends while she was gone and one and all are just waiting to see her back in all her activities again.

Taking a trip with anticipation at the end was LUCILLE JONES and her family. They packed their duffle bags and took off to Salt Lake City where she saw her grandchild for the first time. Naturally she approved as who wouldn't.

There will be rejoicing plus much company in the home of MRS. ETHEL BARSTEIN very soon. She will see her son for the first time in many months when he returns home on a furlough from Guam where he has been stationed.

Having a good time at a picnic last Saturday were MR. and MRS. ROBERT MILLER and son BOBBY of Los Banos avenue. They all went to Adobe Creek Lodge to attend the annual company picnic given by the Link Belt Co. where Mr. Miller is employed. Going along for the ride and also a good time was MRS. MARY HENSLEY who also enjoyed the day.

Among those who journeyed to Santa Cruz last Sunday for a combination family get-together and picnic was MRS. DOROTHY STEWART. Host and Hostess at the gathering were her son and daughter-in-law MR. and MRS. WILLIAM BERNZOTT JR.

Returning home after a week's vacation spent with her cousins at their cabin in Rio Nido last Sunday was MISS DOLORES MADDEN. She was amazed at how foggy it was when she returned home. You should forget so soon, Dolores?

Leaving us this week for a short trip to Sebastapol to spend a few days with her son, MR. FRANK VENTURI and family will be MRS. MAY BAKER of Theta avenue. May is one of the most helpful of neighbors and one and all hope she has a most needed rest while she is there as she surely doesn't get one when at home.

Leaving us after a month's visit with her daughter, MRS. ALICE COMBS, will be MRS. AGNES RANDOLPH of Drytown. Even though it is too hot up there at least one knows when it is summer. The little lady (she is all of 4 ft. 10 in.) knows her own mind and summer should be summer to her way of thinking even in our town.

Well folks there has been lots of events this passed week. There are still folks who have vacations coming and I'll let you know about them as time goes on. In the meantime remember the phone is still PL. 5-6482 and if you don't get me the first time just keep trying. Until next week then — Bye Now.

Village Notes

By Martha Pinney

Garden Lane

Mr. and Mrs. Reginald Bell returned last week from a month's vacation spent with friends in South Ashfield, Mass. On their flight home they stopped in Detroit, Mich. for a visit with Mr. Bell's mother and sister.

Mr. and Mrs. Frank Dwiggins of Park Ridge, Illinois with their four young sons Michael, Steven, David and Bruce are visiting Mrs. Dwiggins' parents, Mr. and Mrs. Reginald of 23 Garden Lane.

Mrs. James Fairbanks and Mrs. Rex Spruill attended Leadership Training school last week at Presbyterian Theological Seminary at San Anselmo.

Sweetwood Drive

Judith Zeige celebrated her seventh birthday Tuesday entertaining a group of friends at the zoo.

Mr. and Mrs. Wayne Nissen have had relatives from Illinois as house guests. They are his mother and father and sister and family, Rev. and Mrs. William with their children Betty and George.

Mr. and Mrs. Larry Long have been visited by aunt and uncle, Mr. and Mrs. T. W. Starr who have just returned from Japan and are now on their way to Washington.

McArthur Drive

Lorraine and Joe Monks and children returned from one week at Casadero on the Russian River.

Nimitz Drive

Former residents Mr. and Mrs. L. C. Tidbitts now live in Utica, N.Y. and have been visiting this area.

Tom Jenkins got a surprise when his wife presented him with a baby boy while visiting in Chicago with her parents.

Washington Drive

Mrs. Louise Danforth gave a surprise hard-times party for her husband Danny on his birthday August 8. Attending were Mitchells Dustes, and Subkes.

Mrs. Gorden Peters and children Linda and Donald spent the past week at Lake Tahoe.

Manila Drive

Last week Mr. and Mrs. Charles Nafe had good reason to celebrate and they did so by having a family dinner and later attending Cinerama. Reason for celebrating were: their son Charles turned 8 years old; while his grandfather turned 75; and both grandparents celebrated their 48th anniversary.

Mr. and Mrs. John Williams and Janice Lee returned from a Yosemite camping trip.

Mrs. Buchanan recuperating from illness at San Jose.

87th Street

The upper 87th street Koffee Kub surprised Vivianne Kaufmann with a lovely cake on her birthday on Saturday, August 14. Those on hand to sing Happy Birthday were Maude Haberman, Cathy Thompson and Cydney Hess.

Vivianne and Norman Kaufmann celebrated their 7th anniversary on Sunday by inviting neighbors in for coffee and cake.

The Hesses of 87th street enjoyed an outdoor barbecue with friends at San Mateo Memorial park.

Make Last Minute Revision On Local Subdivision Law

Daly City's subdivision ordinance was given a thorough going over Monday night by the city council and planning commission, with a few minor revisions being made.

After being formally prepared by the city attorney, the ordinance should be ready for council approval in September.

Tom Tromborg, member of the commission, said, "This ordinance is going to take a lot of pressure off us."

Heretofore, builders and subdividers appeared before the commission with applications for variances and other special requests.

Now, as Mayor Joseph Verducci put it, "They'll have to go by the book."

The mayor lauded commissioners for their "fine job and hard work" in preparing the ordinance.

DEPARTURE TIME is checked by Mrs. Kurt Goldstrom, 64 Capay Circle, South San Francisco, who has been appointed by regional president to represent the Northern Peninsula Chapter, ORT, at the Presidents' conference in New York September 20 and 21. Mrs. Goldsrom is president of the North Peninsula Chapter, which has many members in the Daly City, Westlake, Broadmoor and coastside areas. The conference will act as a workshop for the ORT, with ideas exchanged and suggestions offered to improve the organization. The local delegate will bring back a report of activities and new policies taken up at the biannual conclave.

THE RECORD photo

DC FIREMEN CHASE AFTER THREE FALSE ALARMS THIS WEEK

The local fire department has been plagued this week with false alarms. Captain Mel Hanson reports that Monday, Tuesday and Wednesday evenings the department was forced to send equipment on wild-goose chases to the Knowles street at San Diego street alarm box. All of the alarms were turned in between the hours of 9:40 and 10:40 p.m.

"Turning in false alarms is a dangerous practice," Captain Hanson added, "because the equipment might be needed at a real fire." He told this paper that he thought the alarms were being turned in by children.

Setting off a false alarm is a misdemeanor and is punishable by a fine up to $1000 and one year in the county jail, according to the police.

Saturday morning shortly after 6 a.m. local firemen were called to extinguish a real fire at the A. Antonchuk Floor company on Hill street off Washington street. The fire caused approximately $500 worth of damage.

Firemen reported flames from an undetermined cause ignited a pile of shavings which in turn ignited a pile of expensive hardwood flooring. Hanson reported that no equipment was used at the fire, but that it quickly burned itself out.

Nite Club Customer Pleads Not Guilty To Five Counts

The second nite club customer to pile up five counts against himself pled not guilty Tuesday in Municipal court. Trial is set for September 2 at 9:30 a.m.

Edward S. Riley, 41, stevedore foreman, 3308 Telegraph avenue, Stockton, was picked up by police in the Hilltop lodge and was charged with disturbing the peace, resisting arrest, battery, assault and being drunk in a public place.

Another nite club customer, Luigi Gaustucci, 142 Dakota street, San Francisco, appeared in Municipal court Tuesday. Judge Thomas L. Bocci fined him $50, half of which was suspended. He has been given 15 days in which to pay the $25.

Gaustucci was picked up by local police on August 1 at the local nitery for disturbing the peace.

Annual precipitation in California, according to the National AutomobileClub, varies from as much as 100 inches in the Redwood Belt to two inches or less in the State's southeastern deserts.

DOCTORS PLAN SKIN GRAFT ON BURNED WALTON YOUNGSTER

Ginger Walton, 12-year-old daughter of Mr. and Mrs. James Walton, will undergo skin grafting on Monday, according to her mother. The girl suffered severe burns on most of her body August 3 when flames from a campfire ignited her nightgown at a family outing in San Mateo Memorial park.

Her mother was forced to drive the girl almost 40 miles before the child could receive help. Mrs. Walton drove from the park, a redwood grove several miles west of La Honda, all the way to Belmont where police radioed for an ambulance to speed the child to Community hospital.

Ginger is forced to lie flat on her back but can receive visitors, according to her mother. Mrs. Walton also reports that the youngster will probably be released from the hospital some time in September.

New Arrivals

REBIZZO — To Mr. and Mrs. Angelo L. Rebizzo, 160 Glenwood avenue, Westlake, August 6, a daughter.

MEISTER — To Mr. and Mrs. Albert E. Meister, 190 Northgate avenue, Westlake, August 7, a son.

ZIMMERMAN — To Mr. and Mrs. Paul F. Zimmerman, 57 Forest Grove drive, Westlake, August 5, a son.

MADSEN — To Mr. and Mrs. Andrew W. Madsen, 431 Southgate avenue, Westlake, August 3, a son.

MARTELLI — To Mr. and Mrs. Le Roy B. Martelli, 180 East Vista avenue, August 8, a son.

NAUGHTON — To Mr. and Mrs. John J. Naughton, 967 Brunswick street, August 10, a daughter.

SWEDLUND — To Mr. and Mrs. Harry A. Swedlund, 32 First avenue, Apt. D, August 10, a son.

WALQUIST — To Mr. and Mrs. Jack D. Walquist, 6925 Mission street, July 31, a son.

"Talent Parade" Set Saturday At Center

The Daly City community center will be the scene of a "Talent Parade," to be held Saturday night, commencing at 7:30 p.m.

Singing, dancing and specialty acts will be among the evening's entertainment. Prizes will be awarded to the top contestants.

The recreation department, sponsors of the event, has urged all parents to attend the show.

CHIEF SAVAGE IS COMMENDED FOR "BRAVERY"

Broadmoor police chief Ray Savage has been formally commended for a daring capture of two juveniles on April 16.

The North County Council of Cities "extended its thanks and appreciation for the excellent service he rendered" in a 100-mile chase down Junipero Serra boulevard.

Ray Savage
. . . Chief Commended

The Council said Savage's action "called for exceptional bravery and service beyond the normal call of duty."

Nine police cars were originally in the early morning chase after a 17-year-old driver and his 13 year old girl companion.

At Junipero Serra boulevard the juvenile's car lost all the vehicles but Savage's.

Following the car at speeds up to 100 miles an hour, Savage once caught up with it, but had to slow down when he was forced to the shoulder.

The chase ended when the youth lost control of the car at the Crystal Springs road turnoff near San Bruno and crashed. The girl was knocked unconscious but the driver climbed out of the vehicle and attempted to make his getaway on foot. Savage ran the youth down, subdued and handcuffed him.

WILSON SAYS LOCAL CENTER NOT PAYING OFF

Councilman Del Wilson declared Monday night that the local community center "Is not paying off."

Explaining his remark, he said for the amount of money invested in the center, the city is not realizing sufficient amount of revenue.

"I think we should charge groups 10 per cent of whatever they take in at center functions."

City Administrator Dan Andersen explained that the recreation commission worked out a representative fee schedule after surveying charges made in other communities for use of municipal buildings.

It was suggested that Wilson's proposal be discussed Monday night, when the council will meet with the recreation commission.

Taxi Joy Ride Proves Expensive To Localite

What started out to be a $2.70 cab ride turned out to cost an additional $10 and ten days in the county jail.

Dean F. O'Connor, 60, 226 Evergreen street here, was charged with drunkenness by local police when he refused to pay $2.70 cab fare on Saturday. He had hired a cab in San Francisco to drive him to the Wit's End bar here on Mission street. The cab driver reported O'Connor to the local police, and Monday Judge Thomas L. Bocci added the fine and sentence to the cost of the fare.

Fleishaker Pool, world's largest outdoor swimming pool, is at San Francisco.

Read Galatians 6: 1-9

I travail . . . until Christ be informed in you (Galatians 4: 19.)

One day I had the occasion to visit Naples Cathedral. At the entrance was erected a great scaffold. I asked the guide the reason for it. "Ah," he replied, "during a heavy thunderstorm twenty-five years ago, a thunderbolt struck this beautiful building and this door was damaged. Ever since, the builders have been working on it to restore the door to its original beauty. As you see, it is not finished yet."

These words of the guide entered my heart like a thunderbolt of spiritual truth-twenty-five years and still not restored. To build a spiritual cathedral is no light task and needs years of patient labor.

Parents, pastors, Christian teachers, youth — are we willing to dedicate ourselves with no less patience and perseverance to the work of building living temples? Ruined lives all around us need our help. However difficult the task, we can fulfill our high calling patience, and perserverance, and trust that God is working through us.

Prayer

O Lord, in our towns and churches there are so many ruined lives. Many suffer because of sin. Grant us Thy loving patience and perseverance and Thy spirit of sacrifice, so that these ruins may be restored to Christlike beauty, through Christ Jesus our Lord. Amen.

Thought For The Day

God uses the Christlike in heart and mind to build His living temples.

N. Khachadourian (Syria)

Catholic Service Performs Welfare Work In County

One of the agencies doing a vital job in the field of family and child welfare in San Mateo county is the Catholic Social Service, located at 112 N. San Mateo drive in San Mateo. Working with families faced with marital, juvenile or financial distress, this agency performs a valuable function in our community by carrying an important share of the work which must be done by professional counselling.

A child who needs a guiding hand, a family faced with marital problems that just can't be worked out without guidance or a girl terrified with the thought of motherhood out of wedlock can go to the Catholic Social Service and receive help.

Partially supported by your United Crusade contribution, this agency is another of the 25 services in the health, welfare and youth fields dependant on the United Crusade drive each year.

The Catholic Social Service can place and supervise children in foster homes or institutions and can issue permits for boarding children to Catholic families. Short time emergency financial help is available to families who are ineligible for help from any other resources in the community.

In 1953 Catholic Social Service gave professional counselling assistance to 568 families in San Mateo county. There were 80 children under the agency's care and 22 unmarried mothers received aid during the past year.

This is just one of the jobs done by your dollar when you contribute to the San Mateo County United Crusade each year. United Crusade through its 25 health, welfare and youth services means a better, healthier and happier community for you and your family.

BAYSHORE PTA CALLS BOARD MEET TODAY

Vacation time is over for the Bayshore PTA members, with the first executive board meeting called for today (Friday) at 10 a.m. by the president, Mrs. Wayne Liebert. Meeting will take place at the home of Mrs. E. M. Hanchman.

New members wishing to assist with the Well-Baby clinics are asked to contact Mrs. Thomas McNamara. The clinic has grown to the extent that two conferences a month will be given commencing September 1, so more Bayshore PTA members are invited to join, since this is part of the Child Participation program.

Mrs. Dormoy Regaining Health After Operation

Mrs. Cecelia Dormoy, 40 Mission circle here, reports that she is well on the road to recovery after two years' illness. She wishes to thank all her friends for the kindnesses paid to her after her recent operation.

Mrs. Dormoy says that she especially enjoyed the recent visits of the Druid ladies and friends from Booneville. She is now preparing fruit that was brought her from Booneville.

Miss Schuler Holidays At Lakeport Resort

Mary Jane Schuler, 17-year-old daughter of Mr. and Mrs. Lloyd Schuler of 86 Los Olivos avenue, is spending two weeks at Lakeport with friends from Miramar. Miss Schuler is a recent graduate of Jefferson High school and is planning to attend college in order to study art.

Millbrae Woman Elected Chairman Of Demo Committee

Mrs. Clayton Mitchell of Millbrae has been elected congressional district co-chairman along with William Penaluna of San Mateo for the Democratic State Central Committee following the election of Mrs. Elizabeth Ryder of Menlo Park as secretary of the Northern California Division of the central committee.

Mrs. Ryder and Penaluna were nominated by Dr. Harold F. Taggart, San Mateo County Democratic congressional candidate, as congressional co-chairman. When Mrs. Ryder was chosen secretary of the state organization this week end in Sacramento, the 17 San Mateo County delegates then elected Mrs. Mitchell for the important post.

Attorney Melvin Cohn of San Carlos, chairman of the San Mateo County Democratic Central Committee, acted as chairman of the county delegation.

Adolph Schuman of Hillsborough was elected treasurer of the Northern California Division.

Others attending from this area included Tom Jenkins of Broadmoor, Mr. and Mrs. Robert Clary of South San Francisco, James B. Daly and Elmer Gibbert of Sharp Park.

COLMA DISPLAY SWEEPSTAKES WINNER AT FAIR

Sweepstakes winner in agricultural feature exhibits at the San Mateo County Fair and Floral Fiesta was the display showing a vegetable packing shed by the Colma Vegetable Company of Colma. It was judged the most extensive and educational display of high quality agricultural and horticultural produce by a community or farm group organization, and the best of all feature exhibits in any class in agriculture.

Other feature exhibits from the Agriculture Building winning first prizes included: the Half Moon Bay Farm Bureau Center's display featuring one product of a district or community by a farm group organization or organization representing them; Woodside Gardeners Association educational display; Anton Mayer's one family farm; general display of farm products and agricultural mechanics by the Half Moon Bay High School Chapter of the Future Farmers of America, and the 4-H Club feature exhibit by the San Gregorio 4-H Club.

Sixteen first awards went to J. E. Jennings for his bee and honey display.

Agricultural firsts in plate displays were awarded to Anton Mayer, Redwood City, 23 firsts, and 5 first places in sweepstakes; Angelo DiVecchio, Half Moon Bay, 3 firsts; Mrs. Mona Tipper, Redwood City, 1 first; Mrs. Sarah Richards, Redwood City, 2 firsts; Loren Marsh, Half Moon Bay, 1 first; John Dusel, Atherton, 8 firsts; Vic Massole, San Mateo, 4 firsts; Harry E. Carver, San Mateo, 1 first; Antonio Cuneo, Colma, 56 firsts and 2 sweepstakes; Frank E. Duarte, Pescadero, 1 first; Fiore Di Vecchio, Half Moon Bay, 5 firsts; and Clyde Marsh, Half Moon Bay, 7 firsts.

Other prize winners include, Richard Thornton, San Mateo; Tommy and Gary Edwards, San Carlos, James A. Miller, Redwood City; Mrs. John F. Hodgson II, San Mateo; and John Cool, San Carlos.

League For Better Schools Sets Next Meet For Sept.

The League for Better Schools took up session again Wednesday night, after being absent from the scene since the school district elections in May.

Meeting at the home of James McKay, 1199 Nimitz drive, Broadmoor, the League set September 29 as their next official gathering. The meeting will be held at 8 p.m. in the council chambers at city hall.

Thomas Jenkins, president of the League, told the group Wednesday that "Through the League effort 28 names were listed as interested candidates for school board."

He added that, "Of these, eight were selected as the most qualified. Others, however, were not disqualified from running and all were given the 'blessing of the League.'

"The results were that 14 candidates filed for the Jefferson Elementary School board election. Never in the history of the district has there been so much enthusiasm for a trustee race."

The president pointed out further that, "Newspapers in some southern county cities editorialized on the value of a League such as ours and suggested that similar organizations be formed in other cities."

Jenkins noted the difference between the district election here and in Marin county, "where in three districts there were no candidates for the positions.

"The league intends to continue with this good work," Jenkins stated. He told the group that letters of commendation will be sent to the 56 organizations that made up the League.

Pvt. Fred Bricker To Be Graduated From Pole Line School

Camp Gordon, Ga.—Pvt. Fred J. Bricker, Jr. of Daly City will graduate this week from the Pole Line Construction course, one of the many courses offered at the Southeastern Special Signal school, Camp Gordon, Georgia.

He is the son of Mr. Fred J. Bricker Sr., 313 Peoria street, Daly City.

The Pole Line Construction course, which is 8 weeks in length trains selected enlisted men to construct, maintain and rehabilitate open wire, cable and field wire communications systems.

During his training, Pvt. Bricker received a technical education worth thousands of dollars. He will now be reassigned to an active unit of the United States Army.

The Southeastern Signal school is a component of the Signal Corps Training center, a mammoth communications college, which supplies trained signal technicians to Army units all over the world.

RUSSELL SIMMONS NEARS END OF AIR FORCE TRAINING

Russel R. Simmons, 17, son of Milton J. Simmons, 178 Bismark street, is completing his air force basic military training course at Lackland Air Force base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women, headquarters of the Human Resource Research center, and home of the USAF Officer Military school.

His basic military training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

FISHING SLUMP

Landings of commercial fish in California ports slumped to 546,360,000 pounds in 1953 to set the lowest mark in twenty-two years of fishing, reports the National Automobile Club. Major cause for this slump is the virtual disappearance of the sardine from Pacific coastal waters.

Local Woman Donates Blood For 32nd Time

Mrs. Oren Wakefield, 475 Evergreen street here, recently gave blood for the 32nd time. She has been donating blood every three months since 1943. When asked why, Mrs. Wakefield replied, "I just know that it help s."

DOGS TO COMPETE FOR OBEDIENCE TITLE IN OCTOBER

The Bay Area's best behaved dogs will compete for obedience degrees, trophies and ribbons at George Washington High school football stadium in San Francisco on October 17 when the San Francisco Dog Training club holds its 11th annual obedience trial.

From 9 a.m. through the day canines of all breeds will be put through their paces, novices heeling, sitting, staying; and in the more advanced classes retrieving, jumping and performing scent discrimination tests. Special events will include competition between teams of four dogs working simultaneously; braces (zone handler working two dogs at once) and a Veterans Class for the oldster dogs. There will also be a gala Title Holders Parade.

Our Judges this year will be Oscar R. Franzen of Glenview, Illinois; Arthur E. Quirk and Scott Roberts of Los Angeles, Al Wahl of Walnut Creek and Kenneth Dryer of San Francisco. Admission is free and everyone who loves a dog is invited to attend this colorful and entertaining event.

HEADING FOR RENO?

If you're thinking about heading for Reno because your marriage is cracking up, you'd better think twice. You may crack up after you get there!

"Accident Facts," the National Safety Council's statistical yearbook, just off the press, shows that Nevada had the highest accidental death rate of any state in 1953. It was 157.8 per 100,000 population. New Jersey's 41.2 was the lowest.

Although psychologists say emotional disturbances often cause accidents, the Council doubts if there is any connection between Nevada's high number of divorces and accidents.

WHEN BLINDED BY GLARE

When blinded by the glare of oncoming headlights don't just trust to luck and keep rolling, advises the National Automobile Club. It is better to slow down and be safe than to speed on and be sorry.

Newman Club To Hold Last Dance Of Summer

Holy Angels' Newman club will sponsor its last dance of the summer in the parish hall, Saturday, from 8 p.m. to 12 midnight, according to Mrs. Anne Duffy, chaperone.

Tickets may be purchased from any of the following committee members: Virginia Sutheralnd, Amelia Caime and Diane Ramacciotti or at the door. Refreshments will be served. Admission is 35c.

Sheridan PTA Plans Executive Board Meet

The executive board of the Sheridan PTA will meet on September 1, according to Mrs. Robert L. Greenley, publicity chairman.

The board's members will be notified by mail as to the time and place of the meeting. President Mrs. Everett Hale will preside.

ORDER TO SHOW CAUSE

No. 65522

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of MARIE MOLESWORTH for change of name of LINDA SUE HERSHEY, a minor, to LINDA SUE MOLESWORTH.

MARIE MOLESWORTH, a resident of the County of San Mateo, State of California, having this day filed her Application and Petition praying for an order of this Court changing the present name of LINDA SUE HERSHEY, a minor, to the name of LINDA SUE MOLESWORTH;

IT IS ORDERED that all persons interested in the above matter be and appear before said Superior Court, Department of the Presiding Judge thereof, in the County Court House, Redwood City, California, on September 16, 1954, at the hour of 9:45 o'clock a.m. of said day, to show cause, if any they have, why said application should not be granted;

IT IS FURTHER ORDERED that a copy of this order be published in "The Record," a newspaper of general circulation, printed and published in said County of San Mateo, State of California, once a week for four weeks prior to said September 16, 1954.

Done in open Court this 16th day of August, 1954.

A. R. COTTON

New Chairman Named For United Crusade Campaign

Charles Nussbaum, Central San Mateo County chairman of this year's United Crusade, has announced appointment of Dr. James I. Stewart as San Mateo city chairman for the United Crusade.

Dr. Stewart, principal of San Mateo High school, long has been active in civic affairs. He is a member of the San Mateo Rotary club and serves as secretary for the board of managers of the Peninsula YMCA.

The new chairman will work with Nussbaum and Campaign Chairman W. R. "Rem" Thigpen in appointing and coordinating various committees which will carry on specialized functions of the fund drive. Expressing his pleasure in taking over the city chairmanship, Stewart declared, "The United Crusade in San Mateo county takes on an ever-increasing importance in the life of our community. Much of the funds allocated by the United Crusade goes toward youth services and recreational activities for San Mateo county youngsters. The tremendous population influx into our community during the past few years makes it imperative that our health, welfare and youth services grow along with our business and residential areas.

"The United Crusade relies upon every resident of San Mateo county for support in seeing that 25 agencies receiving United Crusade funds are able to keep pace with the news of the community. I am confident that the people of San Mateo county will assume their responsibility for their own benefit and the benefit of their neighbors. There is no better way to be a good neighbor than by supporting the United Crusade."

CALIF. PUC OKAYS RATE INCREASE FOR FIVE COMPANIES

The California Public Utilities Commission today by a series of decisions authorized rate increases for five utility companies in the state to enable them to offset higher federal income taxes they will pay during 1954. The law raising the income tax on corporations from 47 to 52 per cent was signed Monday by President Eisenhower.

Higher charges allowed two of the companies represent restoration of rates set before April 1 which were reduced when the tax rate temporarily dropped to 47 per cent on that date.

The higher rates will not mean an increase in net revenue for the utilities, it was pointed out by Commission President Peter E. Mitchell, since all additional charges will be paid out in taxes Commission authorization of higher rates to meet higher income taxes is in accordance with established rulings of the United States Supreme court, which has said that taxes paid by regulated utilities are a legitimate charge to operational expense.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, is and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a facsimile stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to that effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

NOTICE OF TRUSTEE'S SALE

16815

On Friday, the 10th day of September, 1954, at the hour of 3:15 o'clock P. M., of said day, in the lobby of the Daly City City Hall, City of Daly City, County of San Mateo, State of California, BAY COUNTIES ESCROW COMPANY, a California corporation, as trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of San Mateo, State of California, and described as follows, to-wit:

Lot 17, as designated on the map entitled, "TRACT NO. 625 STERLING PARK SAN MATEO COUNTY CALIFORNIA", which map was filed in the office of the Recorder of the County of San Mateo, State of California on April 11, 1950 in Liber 31 of Maps at page 20.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by HAROLD C. CABE and PATT L. CABE, his wife, trustors, to BAY COUNTIES ESCROW COMPANY, a California corporation, as trustee, for the benefit and security of GEORGE E. BENSON and KATHLEEN M. BENSON, his wife, dated November 29, 1951 and recorded December 3, 1951, in the office of the County Recorder of the County of San Mateo, State of California, in Liber 2167 of Official Records of said County at page 258.

NOTICE OF TRUSTEE'S SALE

NOTICE IS HEREBY GIVEN that on Friday, the 10th day of September, 1954, at the hour of 10:00 o'clock A. M. of said day, at the Middlefield Road entrance to the San Mateo County Court House in the City of Redwood City, County of San Mateo, State of California, HAROLD D. EDELEN, as trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States of America, all payable at the time of sale, the following described real property, situated in the City of Colma, County of San Mateo, State of California, to-wit:

Lot numbered fifty-two (52) as shown on that certain map entitled "Tract No. 547 Broadmoor Village in Unincorporated Territory, San Mateo County, Calif.", which map was filed in the office of the County Recorder of San Mateo County on November 21, 1945 in Book 24 of Maps at pages 74 and 75.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale conferred in and by a certain deed of trust executed by CECIL E. MITCHELL, a single man, as trustor, to said HAROLD D. EDELEN, as trustee, for the benefit and security of THE NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY, a corporation, as beneficiary, dated the 15th day of September, 1950, and recorded in the office of the County Recorder of the County of San Mateo, State of California, on the 18th day of October, 1950, in Volume 1960 of Official Records at Page 313.

Notice of Default in said obligation and of election of beneficiary to sell or cause to be sold said real property was recorded in the office of the County Recorder of the County of San Mateo, State of California, on the 7th day of May, 1954, in Volume 2579 of Official Records at Page 14.

This notice is given in compliance with the demand heretofore made on the trustee by the said THE NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY.

Dated: August 9, 1954.

ORDER TO SHOW CAUSE

No. 65464

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of EVA L. WILKINS and ROBERT ORVILLE WULFF, a minor, for change of name of said minor to ROBERT WULFF WILKINS.

EVA L. WILKINS and ROBERT ORVILLE WULFF, both residents of the County of San Mateo, State of California, having this day filed herein their application and petition praying for an order of this Court changing the present name of petitioner ROBERT ORVILLE WULFF to the name of ROBERT WULFF WILKINS;

IT IS ORDERED that all persons interested in the above matter be and appear before said Superior Court, Department of the Presiding Judge thereof, in the County Court House, Redwood City, California, on September 16, 1954, at the hour of 9:45 o'clock a.m. of said day, to show cause, if any they have, why said application should not be granted;

IT IS FURTHER ORDERED that a copy of this order be published in "The Record," a newspaper of general circulation, printed and published in said County of San Mateo, State of California, once a week for four weeks prior to said September 16, 1954.

Done in open Court this 10th day of August, 1954.

NOTICE OF SALE OF BONDS - of - JEFFERSON UNION HIGH SCHOOL DISTRICT

The Board of Supervisors of the County of San Mateo hereby invites sealed proposals for the purchase of TWO HUNDRED EIGHT THOUSAND DOLLARS ($208,000.00) worth of bonds of the JEFFERSON UNION HIGH SCHOOL DISTRICT, a Union High School District of the County of San Mateo, State of California, and bids therefor will be received by said Board of Supervisors up to the 7th day of SEPTEMBER, 1954, at the hour of 10:00 o'clock A.M. of said day, when all bids received will be opened at the Chambers of said Board in the Courthouse, Redwood City, San Mateo County, California. Said bonds are numbered from 469 to 676, inclusive, and each is of the denomination of One Thousand Dollars ($1,000.00) and shall bear interest at a rate not to exceed five per centum (5%) per annum, payable annually for the first year the bonds have to run and semi-annually thereafter on the 1st day of January and the 1st day of July of each year, principal and interest payable in any coin or currency which on the respective date of their payment is legal tender for the payment of public and private debts at the office of the Treasurer of said County of San Mateo at Redwood City, California, and will each bear date of JULY 1st, 1951. Each bidder shall specify in his bid the rate or rates of interest he desires said bonds to bear, not to exceed five per centum (5%) per annum, and the premium offered, if any. Bidders may make one or more alternative bids or offers for said bonds at different interest rates. Split rate interest bids will be received and it shall not be necessary that all bonds offered for sale bear the same rate of interest, but such interest shall be in multiples of one-quarter of one per cent. The definitive rate of interest said bonds shall bear shall be determined at the time of sale. The best bid will be determined by deducting from the total amount of interest which the district would be required to pay up to the maturity of the bonds, at the coupon rate or rates specified in the bid, the amount of the premium, if any, bid therefor, and the award will be made at the lowest net interest cost to the District.

The number of years said bonds will run and when payable are as follows:

FIFTY-TWO THOUSAND DOLLARS ($52,000.00) of said bonds shall mature on the first day of July in each of the years from and including 1961 to and including 1964.

Said bonds are a part of the unsold remainder of a bond issue totaling $1,300,000.00, of which $468,000.00 have been sold and of which $312,000.00 worth are now outstanding, and will be issued in pursuance of the election held in said school district on the 18th day of MAY, 1951, and in conformity with the laws of the State of California and pursuant to and in compliance with and in the form prescribed by resolution and order of said Board of Supervisors adopted on the 19th day of JUNE, 1951, and entered in the Minutes of said Board, to which reference is hereby made for greater particularity.

At said election 2687 votes were cast; 2112 of said votes were cast in favor of the issuance of said bonds, 551 of said votes were cast against the issuance of said bonds and 24 ballots were void and not counted.

Such proposals and bids may be addressed to said Board of Supervisors and bids may be made for either the whole issue of said bonds or for parcels thereof. Bids must be for not less than the par value of the bonds bid for, and be payable in cash in lawful money of the United States. The right is reserved to sell said bonds as a whole issue or in parcels and to reject any and all bids. Bids must be accompanied by a certified check, certificate of deposit or cashier's check upon or of some responsible bank in the sum of Five Thousand Dollars ($5,000.00) payable to the Chairman of the Board of Supervisors and conditioned that if the proceedings be legal the bidder will purchase said bonds at the price bid and pay for the same at the office of the Treasurer of the County of San Mateo within five (5) days after notice given that such bonds are ready for delivery.

The assessed value of the property situated within the said school district, as shown by the last assessment roll is $45,540,355.00, and there is an outstanding bonded indebtedness in the sum of $312,000.00.

The purchaser will be required to furnish his own legal opinion as to the legality of said bonds.

The Jefferson Union High School District includes within its limits the incorporated City of Daly City, the Town of Colma, the unincorporated areas of Brisbane, Bayshore, Broadmoor, San Pedro, Sharp Park, and outlying areas, and the District has a population of approximately 35,600.

The District has within its limits several banks and numerous places of business. There is no controversy or litigation pending or threatened concerning the validity of the above bond issue, the existence of the District, or the title of the officers to their respective offices.

By order of the Board of Supervisors of the County of San Mateo.

Dated AUGUST 3rd, 1954.

JOHN A. BRUNING
County Clerk and Ex-Officio Clerk of the Board of Supervisors of the County of San Mateo, State of California.

(Pub. Aug. 12, 19, 1954.)

Three Of Ten Road Fatalaties Are Result Of Speeding

According to traffic accident statistics 3 out of 10 fatalities are the result of speeding. Strange as is may seem, however, many accidents happen at slow speeds, pointed out Raymond F. Leheney, President of the California Safety Council. Leheney went on to state that statistics show that 3 out of 4 collisions occur at speeds of 30 miles an hour or less. Bent fenders, broken headlights and hanging bumpers give a more practical picture of this fact. A car which appears to be nearly demolished is of course indicative of a high speed accident.

The California Safety Council explains this oddity as due to the fact that in low speed accidents someone is driving only 5 to 10 miles faster than they should. An automobile arriving at an intersection going 30 miles an hour, is suddenly confronted with a second car crossing his path at right angles. Driver of car No. 1 slams on his brakes and skids 45 feet into the side of car No. 2. Leheney pointed out that if we take car No. 1 and reduce its speed to 25 miles per hour, it will skid only 31 feet and thereby avoid a collision by 14 feet. As is evidenced by the above illustration, the accident was a result of driving only 5 miles an hour too fast.

Contrary to general belief, braking distance is not proportional to the speed of the automobile. The physical law governing this is that "Breaking distance varies as the square of the speed." This means that if at 10 miles an hour you can stop your car in 5 feet, then at 20 miles an hour it will take 20 feet or a distance four times greater than at 10 miles an hour. At a speed of 30 miles an hour it will take 45 feet or a distance nine times greater than at 10 miles per hour.

Midget League Ends; Playoffs Next Week

The 1954 Midget Baseball league drew to a close Tuesday night as all the favorites took victories over their rivals.

Sharp Park No. 1 won over the Broadmoor Giants, 11-3, thus giving the Coastsiders a season record of six wins and four defeats to cinch third spot. The Giants finished out the season with two wins and eight losses for fifth place in league standings.

In a wild contest the Broadmoor Eagles collected four hits and five runs in the last inning to pull ahead of Sharp Park No. 2, 15-4. This win gave the Eagles four wins and six losses while the Sharp Park squad ended up in last spot.

First and second places have yet to be decided as the Daly City Midgets and the Broadmoor Yankees ended the season in a tie for first place. In a contest Tuesday night both managers for the Midgets and Yankees made experimental changes in the starting lineups in order to have the best possible team for the start of the championship playoffs next Tuesday at the High school at 6 p.m.

In Tuesday's game the Yankees beat the Midgets in a thrill packed contest, 5-1. Midget chucker Vic Kulik allowed only two hits but three walks and an error by second baseman Larry Kane in the first inning put the hustling Yankees ahead, 3-0. In the second inning the Midgets put together a single by Rich Morales and a triple by Larry Kane to earn a run. In the last inning the Yankees exploded for three hits by Bill Hix, Ron Townsend and Mike Geotz for two more runs and the final score of 5-1 in favor of the Yanks. Yank pitcher Bill Hix fanned eleven batters and allowed two hits while Midget pitcher Vic Kulik struck out five and allowed only three hits.

Both teams will be at full strength for the play offs. The two of three game series should be exciting and entertaining to watch.

Daly City-Colma Keg Circuit Meet Tuesday

Preparations for the Daly City-Colma B owling league's sixth year of operation will be made Tuesday night at Brentwood Bowl.

Joe Belli, secretary of the league, said today that competition will begin the night of September 7 and continue for 30 weeks. To date ten teams have been contacted for entry in the winter circuit.

All sponsors or persons interested in entering the league are invited to attend Tuesday's meeting at Brentwood.

LOCAL POLICE ADD ANOTHER DISTRAUGHT WOMAN TO LONG LIST

A seventh pantie theft on August 2 was reported to police after a Westlake woman of 130 Crestwood drive saw the front page story in this paper last week describing other pantie thefts on the same night.

She reported the Westlake pantie thief as stealing another $12 worth of women's apparel, which brings his total for the night to an estimated high of $227. Loot for the night included panties, bras, slips, girdles, bathing suits and nylon stockings.

Police say that this last complaint is the 15th such theft to be reported in three months' time. An investigation is being conducted.

RECREATION NEWS

Frankfort Park

Tuesday. August 3, was the scheduled date for the skating party at Skateland. Ronald Bontempi, Micheal, Diane, and Carolyn Smyser, Adrienne Arroyos and Patricia Weeden had a grand time skating. Patsy Smyser and Marie Weeden took innumerable falls; nevertheless they enjoyed themselves. Although Arlene and Mary Mac Donald did not skate, they could barely wait until they entered the Fun House where they had the time of their lives. Everyone had fun and is awaiting next summer's similar excursion.

It may not be football season yet, but if one had been at Frankfort Friday one would have thought so. Seen clad in helmets and shoulder pads, equipped with football and limitless energy were Bert Rodrigues and several other boys.

Manuel Villa and Tommy Waudel have been moved to the top of the ladder in the archery tournament which is now in progress.

Those who participated in "David's Parade" on Saturday, August 7, included John and Raymond Kenny, Jayne Ramey, Janet Schwartz, Mary and Arlene Mac Donald, Patsy, Diane, Carolyn and Michael Smyser, Linda, Eddy, and Miriam Larios; Marge, Marie, and Patricia Weeden; and Chuck Oliveira. Three-year-old Charlene Smyser and five year old Connie Larios were entered in the Miss Daly City Contest.

John, Raymond, and Michael Kenny and Mary Mac Donald thoroughly enjoyed themselves at Golden Gate park Wednesday. The program offered by the Planetarium was extremely interesting to all.

Marchbank Park

Marchbank Park visited the moon last Wednesday. A group of 30 space cadets treked out to Morrison's planetarium and were treated with an offering of Lunar views. Spacemen Buzzy Beecher, John and Robert Weisner, were fascinated to learn of the great mountain ranges and gigantic craters on the moon's surface Mike and Danny Drew, Jim and Vicky Hennessey were surprised to learn that due to gravitation a person is six times as light on the moon as he is on the earth. Sandra Simms's little brother gave everyone a good laugh when, gazing at the fluorescent minerals, he exclaimed, "Hey, Sandy, look at the technicolor rocks."

If the local neighbors have been hearing strange noisee rising from Marchbanks, they need have no fear. It is only rehearsal for the Saturday Night Amateur at the Community center. We have some bright prospects who have good chances of meriting the prizes offered.

Arts and Crafts

The arts and crafts program for the summer is coming to an end. We are planning a grand exhibition to be held on August 24 and 25 from 3 to 5 o'clock in the afternoon and 7 to 9 o'clock in the evening at the War Memorial Center. We will show some of the fine work done by the children.

We are planning to exhibit all types of work done this summer. The little children have completed pictures using a variety of media. They have drawn their own life size pictures and have produced some clever banks made from paper mache. The older children have had a wealth of experience in working with all types of materials. Among their projects have been animals from paper mache and wood burning.

The art exhibit will also feature demonstrations by various children. We will have Susan Perlas, Carol Ann Lewis, Joyce Stroud, Pattie Corner, Karen Weglin and Janet O'Neill demonstrating marbalized paper. Linda, Arlene and Eddie Giordano, Carol Albert and Judy Logan demonstrating finger painting, Jon Alexander, and Frank Bellante demonstrating Pyro Lace weaving, along with Marianne and Rosalie Santiago and Peter Farrell who will be making paper mache animals. Veronica Fischer, Loureen Firpo and Marilyn Luna doing spatter painting. Diane Bertelli and Charles Micheli doing wood burning. Terry Lon and Paul Giomi will be doing clay work.

The work that the children have done this summer will be judged and 1st, 2nd and 3rd place ribbons will be awarded. The judges will be Mrs. Mary Lewis, Mrs. Helen DeBerry, and Mrs. C. Ballou, Elementary teachers from the local schools.

The staff, Miss Ina Bryant, director, Miss Jo Ann Gordohn, Miss Roberta Taylor and Miss Lorine Pindjack all feel that this hats been a very successful summer.

Community Center

The Golden Gate Park and Planetarium excursion turned out to be a tremendous success. Forty children from the community center participated in the event. From all reports the "Trip to the Moon" offered by the Planetarium this summer is nothing short of sensational.

Preparations for the boxing show which will be staged Friday, August 27, are in full swing. More boxers, however, are still needed. Anyone interested should contact Joe Brown or Frank Ingersoll at the community center.

Show talent attention! The recreation department will present their annual amateur show on Saturday, August 21. Singers, dancers, comedians, magicians and musicians are all needed for the event. Interested parties may sign up at the community center.

Hobbies

As the program nears its end, there has been a notable upsurge in the use of leather. Florence Benedetti really has accomplished a great deal in the field of leather craft. Among the better pieces of her work is a gun holster for her father which we think will draw compliments from all those who see it.

In addition to the holster, she has made miscellaneous wallets and key cases. Also in the line of leather, we have had a number of children tooling belts for themselves and their parents. The first to be completed is a natural calf belt made by Pamela Goodin and tooled with her name set in a diamond shape in the back.

In the line of model making, there is a trend toward the older planes, probably caused by instructor Stan Feldman's model of the Spad. Rodney(the twin) and Len Jacobson were fast to accept the challenge and are now nearing completion of their Spads, which incidentally are hard to tell from Stan's pilot model.

5 LITTLE LEAGUE TEAMS BATTLE FOR PLAYOFFS

Sharp Park Takes Sixth Straight Win

As Little league baseball draws to a close Saturday five teams will be attempting to squeeze in to four play-off spots.

Sharp Park, coached by ex-pro Ed Kenna, won their sixth straight victory over a courageous Sartos No. 1 squad, 4-3, in a thriller Saturday afternoon. Despite the handkerchief waving fans, and over-anxious fathers, the game was played at a pretty fast clip.

Starting pitcher Marvin Wise from Sharp Park started the game by issuing three walks to the first three batters. He was quickly lifted and replaced by third baseman Dave Simmons. Dave put out the Sarto rally by forcing Larry Kane to pop up, then struck out Rich Morales and had Skip Crudo ground out to retire the side.

Sharp Park manufactured a rally of their own as Mike Loftus singled sharply and Marvin Wise got on via an error. Clean-up batter Hank Caldwell then blasted a long fly into center that appeared to be out of the park only to have Sartos Bill Whalen make a beautiful catch. Dave Simmons then delivered a long double to score Loftus and Wise while Bill Shook fanned.

Pitch Good Ball

With players on both teams tense and the crowd yelling, both pitchers continued to pitch good ball until the fifth frame when Sartos landed their first run on a single by George Claus and a double by Barry Krohn, scoring Claus. Sharp Park led Sartos, 2-1, going into the last half of the fifth when again Sharp Park displayed their power by getting two more runs on three timely hits by Loftus, Caldwell and reliefer Dave Simmons. In the last inning Sartos almost pulled up even with Sharp Park as Bill Whalen flew out to first; Jim Kordoulos drew a walk, Bily Kane drew another walk and Ron Kalinin was thrown out at first as the base runners advanced. With the fans going wild, little third baseman George Claus took a 1-3 conut and laced a sharp single up the middle, scoring Kordoulas and Kane. Dave Simmons pitching brilliant ball, then retired Barry Krohn to land his seventh strike out and his first win. Simmons in addition allowed five hits and walked four. Sartos pitcher Larry Kane struck out nine men, allowed just three hits and had good control, issuing no walks.

Pirates In Second

The hustling Pirates nestled into second place with three other teams but had their hands full as they edged out a determined crew of Holy Angles, 3-2.

Pirate lead-off batter Phil Fair drew a walk, Bill Dougherty singled and Don Harris walked. Second baseman Tom Tice then hit a long drive to score Fair and Dougherty as the Pirates took a 2-0 lead. Pirate Kelly Oliveira held the Angles hitless until the third when they engineered two runs on a walk to Jerry Tiessier, a single to Roy Lanza and a hit on an error to Tom McHugh. This was destined to be all the hits or runs for the Angels as Oliveira showed good form in keeping the Angels in check.

In the remaining three innings the Pirates picked up a single run on five hits and that was enough to beat the Angels. Winning pitcher Oliveira fanned eight and walked two allowing just one hit to Roy Lanza. Leading hitters were Bill Dougherty with two hits, and Don Harris, J. B. Berry, Tom Tice, Con Mondfranz and left fielder Roger Walorinta.

Saturday ends regular league play for the Little leaguers with first place already cinched by Sharp Park, as they battle the dangerous Westlake Beavers.

Another crucial game is between Sartos No. 2 and the power-packed Pirates. Sartos No. 1 meet the always dangerous Brisbane Tigers. A combination of wins or losses tomorrow can determine who gets into the play-offs or may even prolong the schedule another week.

Junior League

It looks like Sharp Park and Brisbane will meet in the Junior League for the championship. The games are slated for the high school diamond but no times have been arranged as yet. Brisbane takes on the third place Suds and Sharp Park meet Stomper A.C.....

In last week's action the Eagles lost to Brisbane, 11-4, and Stomper A.C., led by Jack Klinger, edged out Broadmoor, 7-6. In other action Sharp Park picked up an easy win over the Suds, 9-0.

FRANKFORT, JEFF HIGH, ELEMENTARY SWEEP ALL-CITY ARCHERY PLAY

On Friday the 13th, Manuel Villa and Jim Wilson proved that three was a lucky number for them. They won first place in the All-City Archery Tournament.

In the most important rounds Jim and Manuel made 31 points in the first round, 30 points in the second round and only 13 points in the last round, making them the winners.

Butch Miller and Ted Soumer, also a top team, slipped into all important rounds making only 16 in the first round, 17 in the second round and 23 in the third round. Butch and Ted, up to this point, were hitting much more consistently. Wayne Gordon and Harold Gordon were third place winners.

Other contenders for the top three were the Jefferson High team made up of Sonny Martinez and David Duggan and the Marchbank team of Michael Cox and Ricky Craig. These teams were in strong contention up to the semi-finals, which they lost by a slim margin.

All the teams were favored by good weather conditions for archery. Just as the tournament started the sun came from behind the clouds for the first time in a week. The tournament was held on the Jefferson High school football field in the end zone with the trees in the back serving as a wind break.

The teams were chosen from the top four in the ladder tournament at the various parks. These occupying first and third places served as Team No. 1 from the park they represented.

Those occupying second and fourth places served as Team No. 2 from the park they represented.

These are the teams:

Westlake
Team 1: Len Jacobsen and Steve Calander.
Team 2: Dick Reese and Skipper Smith.

Jefferson Elementary
Team 1: Wayne Gordon and Harold Gordon.
Team 2: Dick Tomlinson and Steve Kramer.

Frankfort
Team 1: Manuel Villa and Jim Wilson.
Team 2: Bert Rodriques and Jerry Benedetti.

Marchbank
Team 1: Tony Furger and Don Village.
Team 2: Michael Cox and Ricky Craig.

Jefferson High
Team 1: David Duggan and Sonny Martinez.
Team 2: Ted Saumer and Butch Miller.

The highest score for three rounds was scored by Sonny Martinez and David Duggan. The total score they achieved was 86. They did this by scoring 30 in the first round, 31 in the second round, and 25 in their final round.

The tournament went as follows: First, Frankfort; second, Jefferson High; third, Jefferson Elementary.

The last two weeks in the Archery program are now approaching. In these two weeks a hunt shoot and a balloon shoot will be held.

SCOUT TROOP 84 PRESENTS AWARDS, HAS FAMILY PICNIC

Troop 84 of Broadmoor Village held a combined Court of Honor and picnic at Orange Park, South San Francisco on July 25.

Before the court of honor was officially opened, the new charter for the troop was presented to Frank Garrettson, chairman of the troop committee. The presentation was made by Grant Holcomb of American Legion Post No. 824, sponsor of Troop 84.

Jack Cowden, neighborhood commissioner, presented the troop with several awards, which were accepted by Ken Hansen, Scoutmaster, on behalf of the troop, and placed by him on the staff. The awards were for "complete registration on time," "outstanding program," and "promoting scouting by filling their quota of new members."

After the court of honor was officially opened, the first awards were the presentation of first class rank to Jed Cyr, Richard Gensel and Terry Anger. Second class rank was presented to Larry Bennett and Douglas Calvin. Merit badges were awarded to Richard Gensel for beekeeping and horsemanship; Douglas Calvin for woodcarving and cooking.

After the court of honor was closed, the boys and their families enjoyed a picnic lunch, arranged by the mothers' club. A baseball game between the boys and their fathers concluded the festivities.

Woman Hurt When Hit By Motorcycle

Mrs. Mary Petham, 22, 410 Evergreen avenue here, suffered cuts and bruises Sunday when she was struck by an unknown motorcycle rider. The accident occurred at a motorcycle hill climb at San Gregorio.

BROADMOOR GROUP PLANS EXTENSIVE SPORT SCHEDULE

A full round of youth activities has been promised the young people of the Broadmoor, Colma area, according to the newly elected director of athletics for the Broadmoor Youth Association, "Bud" Christman.

Tentative plans of the organization call for soccer, basketball, softball, and an Olympiad for the boys and girls. Shortly, plans will have been completed for a gala boxing match between youth of the area and the famous TV boxing team of San Francisco's Butchertown.

President Bob Goodwin of the B.Y.A. has reopened the charter of the association to allow new members to become affiliated with this fast growing movement of parents and friends of the Colma area. Any of those interested may contact Goodwin at 1740 Louvaine drive, Colma, or at PL-5-4774.

ROCKETS MAKE IT TEN STRAIGHT WITH WIN OVER OPTIMISTS NINE

2-1 Victory Gives Westlake Club North County Championship; To Meet Belmont

The Westlake Rockets won their tenth consecutive ball game and the North County Baseball Championship Saturday with a thrilling 2-1 victory over the Burlingame Optimists.

The Optimist scored their lone run in the first inning when Eddie Leveroni, Rocket pitcher, was nicked for a pair of base hits. As the game progressed, Westlake threatened time and again only to be denied. In the third inning Ino Patron, Westlake second baseman was the victim of what was described as a poor call by umpire Jim Hannon as he struck out with the bases loaded. In the fifth inning shortstop Mike Wedlake of the Rockets streaked home untouched with what seemed to be the tying run, only to be called out for leaving the base line.

Finally, after two were down in the Rocket half of the sixth, Paul Tapia, hard hitting first baseman, smashed a tremendous triple to left. Tapia tied up the ball game seconds later when he scampered home on Mike Wedlake's line single to right center. Wedlake advanced to second, Jim Wilson slapped a blooper just out of reach of Burlingame shortstop Joe Jacobs. Rueben Martinez, next man up delivered the fourth consecutive hit of the inning and what proved to be the game winning blow as Mike Wedlake came in to score all the way from second base.

Eddie Leveroni, Rocket pitcher, allowed the hard - hitting Optimists just four hits while striking out 10. Leveroni, who has yet to taste defeat this season, probably pitched the outstanding game of his career. The Westlake team will meet Belmont, winners of the leagues Southern division, on a date to be determined for the San Mateo County Championship.

BEAVERS PROTEST IS DENIED

Little League Officials Cite Regulation 4.16

The Westlake Beavers protest of their 6-4 loss to Sarto No. 2, which knocked them from undisputed first place in the Little league, will not be allowed, it was learned today.

The Beavers protested the contest on the grounds that they lost the game because balks were called against their pitchers, allowing several men to reach base on walks.

While the balk is recognized as an illegal procedure in professional baseball, there has been no ruling against it in the Little league.

But Lou Martin, recreation worker, in denying the protest, cited Rule 4.16 of the baseball regulations, which states that "a game may be protested only on the grounds of a violation of the rules."

"Judgment decisions by the umpires offer no ground for protest," Martin related.

"Since Little league baseball has a definite rule book of its own, modified to fit its players status (10 to 12 years) it is understandable that some confusion might result," Martin continued.

Umpires who handled the disputed game had been working in leagues in which the balk was illegal and therefore enforced the ruling in the Beaver-Sarto contest.

R. Oppermann and Henry Garrison, managers of the Beavers who submitted the protest, said "We protested this in the interest of precedent. We have accepted the league officials' report now, however, and will enter no further controversy."

The managers said, "We feel the main object of the Little league is to teach boys fair play, discipline and good sportsmanship. Any other consideration defeats the purpose to which it is dedicated."
